

PROSPECTUS 2025-26

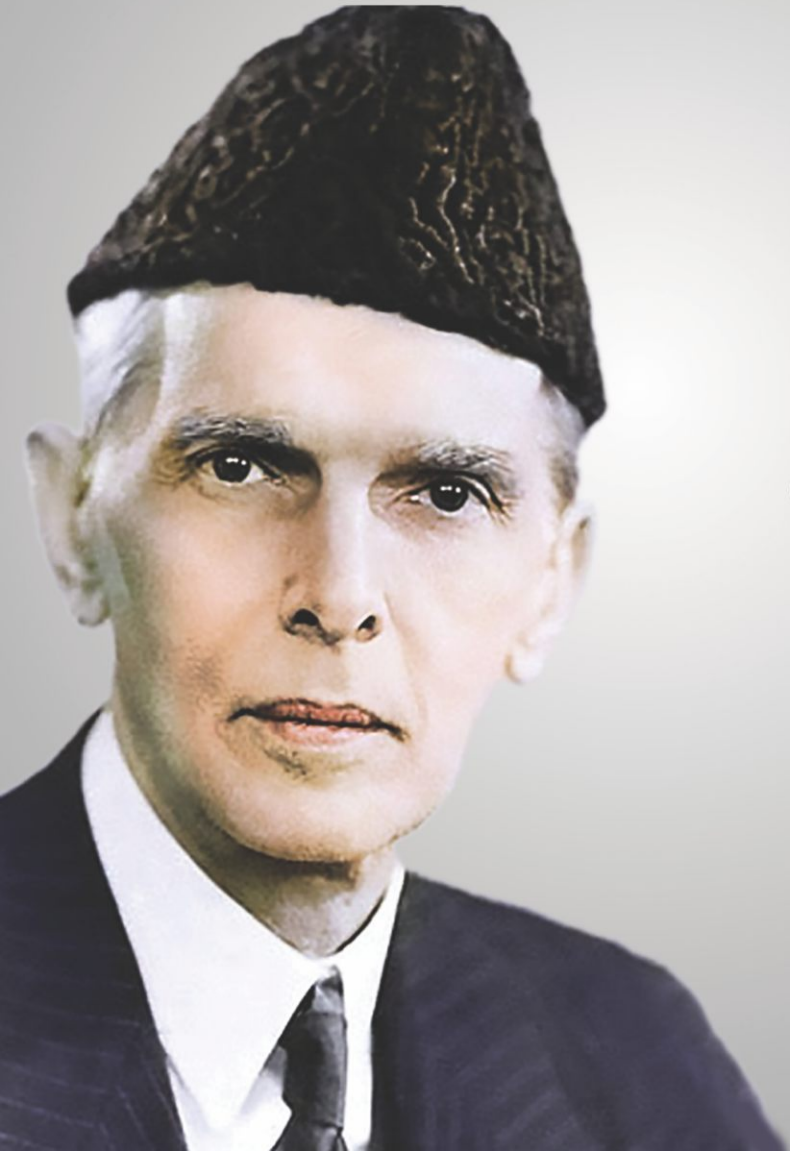

**MASHAL
DEGREE
COLLEGE**

A CONSTITUENT COLLEGE OF UNIVERSITY OF WAH

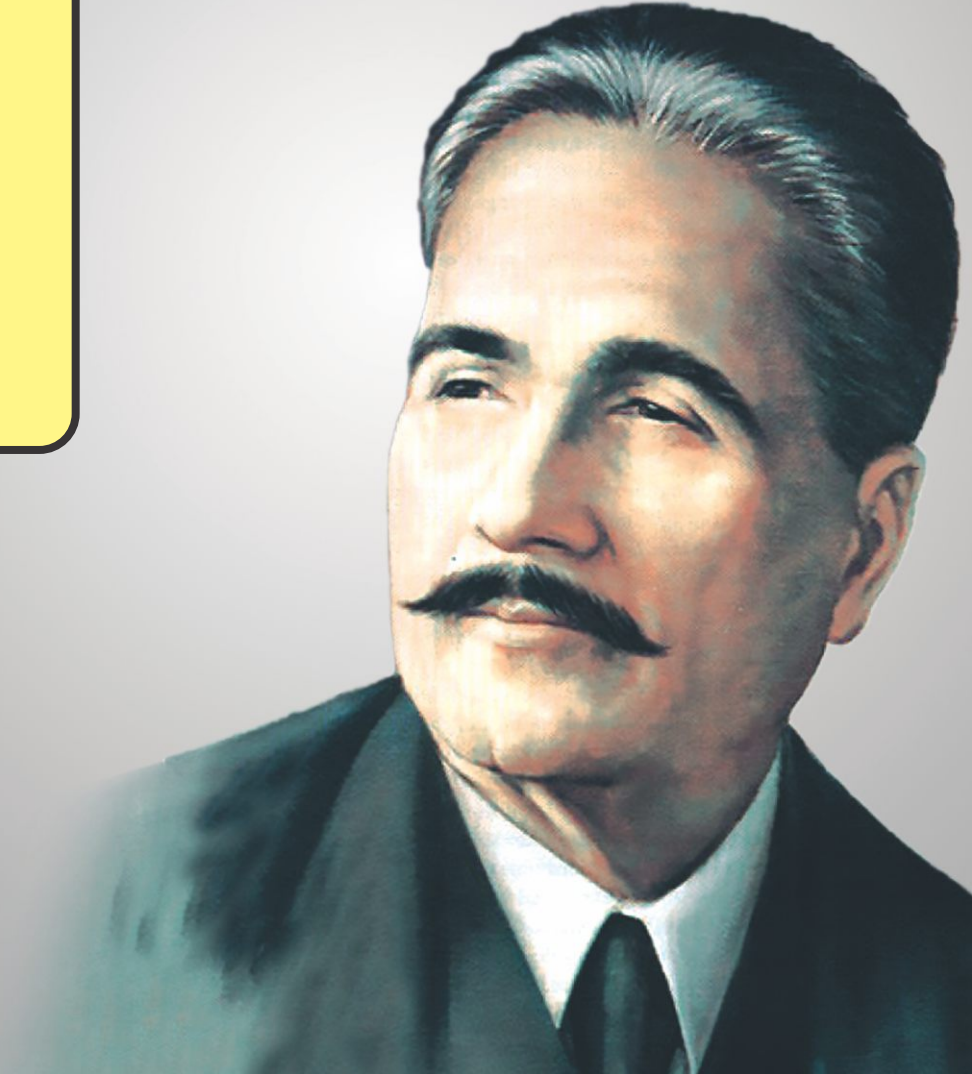

MUHAMMAD ALI JINNAH

"The duties required of you now are: develop a sound state of discipline, character, initiative and a solid academic background. You must devote yourself whole-heartedly to your studies, for that is your first obligation to yourselves, your parents and to the state. You must learn to obey for only then you learn to command."

(April 12, 1948 - Islamia College Peshawar)

خردمندوں سے کیا پوچھوں کہ میری ابتدا کیا ہے
کہ میں اس فکر میں رہتا ہوں، میری انتہا کیا ہے
خودی کو کر بلند اتنا کہ ہر تقدیر سے پہلے
خدا بندے سے خود پوچھے، بتا تیری رضا کیا ہے

Chairman POFs Board and Board of Governors University of Wah

Lt. General Tahir Hameed Shah HI(M)

Vice Chancellor

Prof. Dr. Jameel-Un Nabi

Ph.D Physics, University of Heidelberg, Germany

Principal

Dr. Anila Tabasum

Ph.D Chemistry, University of Wah

Greetings from the **Vice Chancellor**

Dear Students,

Mashal Degree College, a beacon of excellence, thrives on fundamental principles deeply embedded in its foundation i.e dedication, commitment, quality and performance. Our mission is to provide the highest standards in a dynamic and enriching learning environment.

At MDC, we embrace a learner-centered approach, where exceptional teaching is paired with a strong focus on students' aspirations, achievements and personal growth. We firmly believe that educating one female student means educating an entire family, as women play a vital role in shaping both local and global communities. By fostering critical and creative thinking, we empower our students to tackle challenges with confidence and innovation.

I assure you that the core of MDC's interscholastic efforts is to impart knowledge while nurturing the social and moral development of our learners. We are committed to providing high-quality education that is accessible to all and continually striving for excellence and improvement.

I hope you will choose MDC and become part of its ongoing legacy of success.

Message from the Principal

Dear Students, Parents and Guardians,

It is with great enthusiasm that I welcome you to a new academic session at MDC. Each new session at this institution marks the beginning of renewed aspirations, updated opportunities and a commitment to excellence in education.

At MDC, we believe that empowering women is not just an ideal but a necessity for a progressive society. Our commitment to women's empowerment is reflected in our academic programs, co-curricular activities and initiatives that foster confidence, leadership qualities and resilience in female students. Our holistic approach to nurture their character ensures that every learner is prepared to thrive in an ever-evolving world.

This year, we are excited to introduce more groups at Intermediate level to equip our students with knowledge, skills and a strong sense of self-worth. We encourage our learners to challenge stereotypes and embrace their potential to lead and inspire with a positive spirit.

Let us embark on this new academic journey with determination and a shared vision of success.

Wishing everyone a fulfilling and productive year ahead!

Best regards

OVERVIEW

Mashal Degree College had its humble beginning in 1993 in the building of Nasheman (School for Special Education, Wah Cantt). It was temporarily shifted to Welfare School in 1995 owing to the rapid increase in the number of students.

In 1997, by the grace of Allah Almighty, the college was shifted in its own magnificent building at Quaid Avenue. It became a constituent college of University of Wah in 2005. With its splendid academic campus, the college offers the most innovative, disciplined, dynamic and enlightened environment to students nurturing their abilities and training them to stand steadfast during the difficult times ahead and to perform their responsibilities in a wise manner.

The College is affiliated with FBISE Islamabad for the Higher Secondary level while ADP (Associate Degree Program) for female students is affiliated with UW.

Welcome to MDC

On entry to Wah Cantt through Barrier 01, the first building on Quaid Avenue which welcomes you is Mashal Degree College; with University of Wah (Quaid Campus), Wah Medical College, COMSATS, Nasheman and Wah Engineering College in its surroundings. In order to maintain better discipline and serenity in academic atmosphere, Mashal Degree College has independent access and soft partitioning with the University.

A marvelous campus consisting of an Admin block, three Academic blocks and an Auditorium has given it the status of one of the great centers of excellence in this region. The well-equipped and up-to-date laboratories of college serve the scientific and technical demands of education. The facility of a vast parking area and a cafeteria also meets the needs of students and staff members.

HONOUR OF MASHAL DEGREE COLLEGE

39th Position in 2019 among 1158 affiliated institutes of FBISE

2nd Position in Humanities in FBISE Annual Examination 2022

1st Position in Humanities in FBISE Annual Examination 2019

The Emblem

The Ayat of the Quran in emblem symbolizes the significance of knowledge for human beings. In the symbol, the Pen shaped Torch, Pen represents the source of knowledge and Torch or Mashal signifies the light of knowledge that the college is spreading around to convert the darkness of ignorance into the enlightenment of young minds. The colours of the torch signify the vitality, jubility and ambition of young students.

Mission

Mashal Degree College aims to activate and strengthen students by imparting knowledge of modern and traditional fields, emphasizing the basic dogmas of Islamic code of life to make the character of young girls accomplished with updated knowledge and firmly rooted religious ideals so they can outshine in their lives.

Vision

To become a bastion of academic excellence and empower our youth to face the challenges of life with honour and confidence being good muslims and honourable Patriots.

Values

- **Morality**
- **Patriotism**
- **Accomplishment**
- **Commitment**
- **Excellence**

Amenities

Mashal Degree College has a clear vision, envisaging direction as well as destination. The College aims at helping students in their intellectual growth. As a prestigious promoter of education, the College offers following facilities:

BUILDING

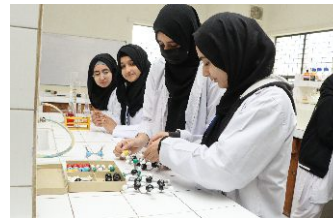

The academic campus of any educational institution adds to the nurturing of its students. Thus, the college building comprising spacious Academic blocks, a splendid Auditorium and an Admin block is imparting a sense of ownership and pride to its asset.

LABORATORIES AND EQUIPMENT

Mashal Degree College has state-of-the-art laboratories which are fully equipped with latest technology for imparting training to students. These up-to-date labs successfully conduct the practicals related to following areas:

- ✓ Biology
- ✓ Physics
- ✓ Chemistry
- ✓ Computer Science
- ✓ Psychology
- ✓ Fine Arts
- ✓ Home Economics
- ✓ Statistics

Amenities

BIOLOGY LAB

Biology lab boasts a large collection of animal and plant specimens in addition to necessary apparatus and equipment required for conducting practicals.

CHEMISTRY LAB

Chemistry lab is provided with all necessary chemicals, solvents and apparatus to conduct experiments.

Amenities

COMPUTER LAB

Computer technology is an integral part of almost every industry and Mashal Degree College realizes this fact. The College has a network of 25 PCs running under Windows platform which are permanently linked to internet. Our networked environment and its accessibility to both staff and students enable the integration of interactive technology into teaching/learning environment. Other facilities including printing, multimedia, internet facility, overhead and multimedia projector are also available in the lab.

FINE ARTS LAB

Fine Arts lab is furnished with all necessary materials to provide students an open opportunity to work in different mediums of painting such as water, oil and charcoal etc.

Amenities

HOME ECONOMICS LAB

The lab is well equipped with the latest appliances used in practicals related to cooking, baking, stitching and designing, as a partial fulfillment of their study program.

PHYSICS LAB

Physics lab is well equipped with necessary apparatus for experiments related to light, heat and electricity.

Amenities

PSYCHOLOGY LAB

Psychology lab provides all facilities for practical work as per criteria defined by FBISE, Islamabad.

STATIONERY SHOP

MDC also possesses the facility of stationery & photocopy shop for the students.

SEMINAR ROOM

A Seminar room equipped with state of the art audio-visual presentation aids has been constructed. It is utilized for workshops, seminars, meetings and conferences.

Amenities

LIBRARY

In an ideal educational institution, classroom instructions and self-study in library go hand in hand. The library aims at providing the resources and environment to enhance students' learning experience. College library has a variety of reading material like books, journals, encyclopedias, periodicals and newspapers. A large number of reference books on various subjects is available for students and staff as well.

Library Rules

- ✓ College library cards will be issued to all enrolled students.
- ✓ Books are issued for a period of 15 days maximum.
- ✓ The books may be re-issued to a borrower with permission of the librarian.

Amenities

COLLEGE CAFETERIA

College has its own newly built and upgraded cafeteria. It is supervised by a Canteen Committee to ensure quality and hygiene of the food. It offers snacks at controlled rates.

SECURITY ARRANGEMENTS

Keeping in view the present security hazards, CCTV cameras have been installed in all academic blocks. Moreover trained and professional security guards have also been appointed to ensure a secure environment.

TRANSPORT FACILITY

Mashal Degree College facilitates the students by providing them the transport facility so as to facilitate their traveling to college.

MULTIMEDIA CLASSROOMS

Keeping in view the demands of the modern age, MDC administration has equipped the class rooms with multimedia to ensure the updated system of education.

SICK ROOM

In order to cope with the minor health issues of students, a sick room with the facilities of first aid has been built. The facility of an ambulance is also provided to students when required.

BANK FACILITY

A bank point along with ATM has been installed to facilitate students and staff. Now fee can be deposited easily within the college premises.

Amenities

AVICENNA

MDC has shifted its administrative data on AVICENNA.

AVICENNA is the Campus Management System (CMS) of University of Wah that maintains and processes database and provides online academic/curricular records and students' results. It is a web-based application with multiple web browser support that manages all day-to-day activities of UW efficiently and securely across multiple departments, faculty, staff and students. AVICENNA is named after Ibn-e-Sina (c.980-1037), a great Persian Scholar of the Islamic Golden Age. AVICENNA CMS is indigenously developed by IT Team at University of Wah.

Following are the AVICENNA modules that are operational in Mashal Degree College:

- ✓ Conduct of Admissions
- ✓ Attendance Management
- ✓ Result Management System

AVICENNA

Admission Policy

Admission forms will be available within a week after declaration of SSC result. The rules and regulations for admission are as follows:

1. Admission in Mashal Degree College is open to all candidates regardless of religion, race, creed, province or Board.
2. Admission in Mashal Degree College is granted on open merit basis.
3. College has the right to reject any application form for admission in any group/programme and no claim will be entertained against it.
4. Applications for admission are received on prescribed admission forms attached with the prospectus available at the College admin office on payment.
5. The application for admission, complete in all aspects, should reach the Admission Office of Mashal Degree College within due date.
6. All the documents attached with the application form must contain correct information and should be attested by a Class-I Officer/Gazetted Officer (the detail of the required documents is given on the application form).
7. Any Admission Form containing incorrect or false information shall stand rejected forthwith (at any time during the session) and the fee and other dues deposited shall be forfeited.
8. All candidates are to opt for one group of subjects. A candidate who wishes to apply for more than one group shall have to submit a separate form for each group.
9. List of candidates eligible for admission will be displayed on college notice board after clearance by the Admission Committee.
10. Incomplete forms will be rejected.
11. The candidates will be considered “enrolled” as college students after the signature of the concerned authorities on the paid bank receipt.
12. All the admissions will be provisional till the acceptance from the Federal Board.
13. Submission of an application form does not necessarily qualify an applicant for admission.
14. Admission will be done strictly on merit as per the College policy and the pre-requisites defined by FBISE for Intermediate.
15. The class in any subject will commence if the number of students is not less than fifteen.
16. Twenty additional marks (in overall merit) will be given to Hafiz-e-Quran candidates on provision of certificate/testimonial.
17. A student can change group/subjects, within a week after commencement of classes, on recommendation of the Admission Committee, subject to the availability of a seat (change of group/subject is not a matter of right but a privilege offered by the College).

Financial Assistance

College has a human and humane approach towards all of its students to provide quality education at a nominal fee.

CONCESSION IS GRANTED TO STUDENTS ON THE FOLLOWING BASES

CATEGORIES
POF Employees
Merit-Based (1st Year)
Merit-Based (2nd Year)
Kinship Based
Need-Based

Fee discount will be granted after the declaration of FBISE SSC result, 2025.

NOTE: The seats are limited.

Programs Offered

INTERMEDIATE

COMPULSORY SUBJECTS	Urdu	English	Islamic Education	Pakistan Studies	Translation of Holy Quran	Ethics (for minorities)
---------------------	------	---------	-------------------	------------------	---------------------------	-------------------------

ELECTIVE SUBJECTS

MEDICAL	Physics	Chemistry	Biology
ENGINEERING	Physics	Chemistry	Mathematics
BUSINESS & COMMERCE	Banking, Accounting & Finance	Business & Commerce	Economics
HOME ECONOMICS	Home Management & Family Studies	Art & Textile Design	Food & Nutrition
AGRICULTURE	Agriculture (Agribusiness and Farm Management)	Forestry & Soil Sciences	Integrated Sciences

Programs Offered

ASSOCIATE DEGREE PROGRAM (ADP)

The Associate Degree Program is a Regular 2 years program offered by UW, run in the campus of MDC.(only for female students) in which students are offered a combination of any two areas from the desired disciplines; Science and Arts. After successful completion of two years Associate Degree, a student has an option to continue in BS program.

PROGRAM OBJECTIVES:

The objectives of Associate Degree Program are:

- ✓To provide students with a broad base and academic foundation of multidisciplinary programs.
- ✓To provide students comprehensive knowledge in any selected discipline.
- ✓To reflect a general understanding of the concepts and principles of selected areas of the study thus providing students an opportunity to decide the specialization fields for making professional choices.

ADP DISCIPLINES:

MDC offers ADP in the following disciplines:

- ✓Science
- ✓Arts

ELIGIBILITY CRITERIA:

- ✓Intermediate (equivalent to 12 years of education) with at least 45% marks. (2nd division)
- ✓Candidates having 'A' level are required to provide an equivalence certificate from Inter Boards Coordination Commission, Islamabad.

PROGRAM DURATION:

It is a two year full time study program spread over four semesters with prescribed 60-71 credit hours. Each semester has 18 weeks duration for teaching and examination.

Associate Degree Program

COMPUTER SCIENCE

FIRST SEMESTER

Course Code	Course Title	CH (Th+Lab)
CS-111	Programming Fundamentals	3+1
GE-181	Application of Information & Communication Technologies	2+1
GE-153	Discrete Structures	3+0
GE-141	Functional English	3+0
GE-161	Islamic Studies	2+0
GE-125	Applied Physics	2+1
Semester Total		18(15+3)

SECOND SEMESTER

Course Code	Course Title	CH (Th+Lab)
CS-112	Object Oriented Programming	3+1
CS-151	Database Systems	3+1
CS-121	Digital Logic Design	2+1

Career Opportunities

SCOPE OF MEDICAL AT INTERMEDIATE LEVEL

The scope of Medical at Intermediate level is quite broad and opens up many career paths, not just limited to becoming a doctor.

Traditional Career Paths after Medical:

- MBBS (Bachelor of Medicine, Bachelor of Surgery)
To become a doctor (general physician, surgeon, etc.)
- BDS (Bachelor of Dental Surgery)
For dentistry
- DVM (Doctor of Veterinary Medicine)
For animal sciences and veterinary practice
- Pharm-D (Doctor of Pharmacy)
To work as a pharmacist or in pharmaceutical industries
- Operation Theatre Technology
- Cardiac Perfusion
- Radiologic Technology
- Speech Therapy
- Anesthesia Technology
- Optometry

Alternative Career Options:

- Biotechnology
- Microbiology
- Biochemistry
- Genetics
- Molecular Biology
- Food Science and Nutrition
- Physiotherapy (DPT)
- Radiology / Imaging Technology
- Laboratory Sciences
- Forensic Sciences

Allied Health Fields:

- Nursing
- Medical Laboratory Technology

Career Opportunities

SCOPE OF ENGINEERING AT INTERMEDIATE LEVEL

The scope of Engineering at Intermediate level is wide-ranging and leads to numerous exciting and high-demand career paths not just engineering in the traditional sense.

Traditional Engineering Fields (After Engineering):

- Mechanical Engineering
- Electrical Engineering
- Civil Engineering
- Chemical Engineering
- Mechatronics Engineering
- Computer Engineering
- Telecom Engineering
- Software Engineering
- Aerospace Engineering
- Architectural Engineering

These fields often require entrance exams like ECAT or university-specific tests.

High-Tech and Emerging Fields:

- Artificial Intelligence & Machine Learning
- Data Science
- Robotics
- Nanotechnology
- Cyber security
- Game Development
- Renewable Energy Engineering
- Biomedical Engineering
- Environmental Engineering

Non-Engineering but Related Career Options:

- BS Mathematics / BS Physics / BS Chemistry
- Computer Science / IT / Software Development
- Architecture
- Industrial Design
- Product Design
- Project Management
- Business with Tech (e.g., BBA with Data Analytics)

Career Opportunities

SCOPE OF GENERAL SCIENCE AT INTERMEDIATE LEVEL

The scope of General Science at Intermediate level is quite flexible and can lead to a variety of academic and professional paths.

Higher Education Options after Intermediate with General Science:

Students can pursue Bachelor's degrees (BS) in a wide range of subjects, including:

Quantitative & Analytical Fields:

- Statistics
- Economics
- Mathematics
- Data Science (with some additional prep)

Technology & Computing:

- Computer Science / IT
- Information Systems
- Web & App Development

Business & Management:

- BBA (Bachelor of Business Administration)
- Commerce / Accounting & Finance
- Marketing
- Human Resource Management

Career Opportunities

SCOPE OF COMPUTER SCIENCE AT INTERMEDIATE LEVEL

The scope of studying Computer Science at Intermediate level is massive and rapidly growing due to the digital transformation across every industry. It is a great option if you are interested in technology, logic, programming or digital systems.

Higher Education Options after ICS:

After completing ICS, you can pursue many degree programs such as:

Computer & IT Related Degrees:

- BS Computer Science (BSCS)
- BS Software Engineering
- BS Information Technology (BSIT)
- BS Data Science
- BS Artificial Intelligence
- BS Cyber security
- BS Game Development
- BS Robotics

Analytical & Business-Oriented Fields:

- BS/BBA in Business Analytics
- BS in Statistics / Data Analytics
- E-Commerce / Digital Marketing
- Finance / Accounting with IT focus

Creative & Tech Combo Fields:

- Multimedia & Animation
- Graphic Design
- Web & Mobile App Development

Career Scope after ICS:

With further education or skills training, ICS students can enter careers like:

- Software Developer
- Web Developer
- App Developer
- Game Developer
- Cyber security Analyst
- Data Analyst / Scientist
- IT Support Specialist
- Digital Marketer
- Cloud Computing Expert
- Freelancer / Tech Entrepreneur

Industry Demand:

- Global demand for tech professionals is increasing every year.
- Fields like AI, Data Science, Cloud Computing, and Cyber security are among the highest-paying and fastest-growing worldwide.

Career Opportunities

SCOPE OF MEDIA AND COMMUNICATION STUDIES AT INTERMEDIATE LEVEL

The scope of Media and Communication Studies at the Intermediate level is growing rapidly due to the explosion of digital platforms, online journalism, social media and global connectivity.

Higher Education Options after Intermediate with Media & Communication:

After Intermediate, you can pursue Bachelor's programs in:

Core Media & Communication Degrees:

- BS Mass Communication
- BS Media & Communication Studies
- BS Journalism
- BS Film & Television
- BS Digital Media

Related Fields:

- BS International Relations
- BS Sociology / Psychology
- BS English Literature / Linguistics
- BFA (Bachelor of Fine Arts – for media production, photography, etc.)

Career Scope after Media & Communication Studies:

Media is one of the most dynamic industries and opens doors to many fields:

Electronic / Digital Media:

- TV Anchor / Host
- News Reporter

- Camera Operator
- Video Editor
- Scriptwriter
- Film Director / Producer

Digital Media & Marketing:

- Social Media Manager
- Content Writer
- Digital Marketer
- Influencer Marketing Specialist
- Blogger / Podcaster

Print & Online Journalism:

- Reporter / Correspondent
- Columnist / Feature Writer
- Editor / Sub-editor

Communication & PR:

- Public Relations Officer
- Corporate Communications
- Event Management
- Media Planner

Career Opportunities

SCOPE OF AGRICULTURE GROUP AT INTERMEDIATE LEVEL

The scope of studying Agriculture group at Intermediate level pens a variety of opportunities, especially for students interested in farming, environmental science and rural development.

Higher Education Options after Intermediate with Agricultural Group:

After completing Intermediate in agriculture, you can pursue:

- BS Agriculture
- BS Horticulture
- BS Forestry
- B.Tech Agricultural Engineering
- BS Agribusiness Management
- Bachelor in Veterinary Sciences (with required subjects)
- BS Dairy Technology/Fisheries/Sericulture
- BS Environmental Science

• Entrepreneurship

- Organic Farming
- Agri-tech startups
- Poultry, Dairy or fisheries
- Nursery Management and Landscaping

• Competitive Exams

You're eligible for

- ICAR AIEEE (for UG/PG agricultural courses)
- State-level agricultural university entrances
- NDA (if other eligibility met)
- Civil Services, SSC, UPSC, etc.

Career Opportunities:

You can explore jobs in:

• Government Sector

- Agricultural Officer
- Forest Department
- Horticulture Officer
- Research Assistant (CAR, IARI, etc.)

• Private Sector

- Agribusiness Companies
- Fertilizer and Pesticide Companies
- Seed Production and Biotech Firms
- Organic Farming Consultancies

Career Opportunities

SCOPE OF HOME ECONOMICS AT INTERMEDIATE LEVEL

The scope of Home Economics at Intermediate level is much broader than many people realize. It's a great option for students especially those interested in human development, nutrition, family life, fashion, interior design and education. Home Economics prepares students for practical life skills as well as a wide range of professional careers.

Higher Education Options after Intermediate in Home Economics Group:

You can continue to Bachelor's or BS-level programs in:

Health & Nutrition:

- BS Human Nutrition & Dietetics
- BS Food Science & Technology
- BS Public Health

Fashion & Design:

- BS Clothing & Textile
- BS Fashion Design
- BS Textile Design
- BS Interior Design

Home Management & Education:

- BS Home Economics (4-year)
- BS in Home Management / Family Studies

Career Options after studying Home Economics:

- Dietitian / Nutritionist
- Fashion Designer / Textile Expert
- Interior Designer
- Childcare Specialist / Early Childhood Educator
- Teacher / Lecturer

- Food Quality Controller
- Social Worker / Community Outreach Officer
- Event Planner / Household Management Consultant
- Entrepreneur (e.g., food business, boutique, day-

Career Opportunities

SCOPE OF COMMERCE AT INTERMEDIATE LEVEL

The Commerce group at Intermediate level offers a strong foundation in business, finance and accounting and leads to one of the most versatile and career-rich pathways. Whether you want to become an accountant, banker, entrepreneur, economist, marketer or business analyst, Commerce Group opens many doors.

Higher Education Options after Intermediate with Commerce Group:

Business & Finance Degrees:

- BBA (Bachelor of Business Administration)
- BS Accounting & Finance
- BS Banking & Insurance
- BS Economics
- BS Business Analytics
- BS E-Commerce

Professional Accounting Qualifications:

- ACCA (UK) – Association of Chartered Certified Accountants
- CA(Pakistan) – Chartered Accountancy
- CMA – Cost and Management Accountant
- CFA – Chartered Financial Analyst (after Bachelor's)

Tech & Commerce Mix:

- BS Computer Science / IT (some universities accept I.Com)
- BS FinTech (Financial Technology)

Career Opportunities

BIOLOGY

The scope of biology as a whole is incredibly vast. Students studying biology create scope for themselves in the fields of Health, Medicine, Agriculture and Industry.

CHEMISTRY

The scope of chemistry branches out into a host of different specialized fields of expertise e.g. Scientific Research, Medicine, Industry, Aviation, Space and military purposes.

PHYSICS

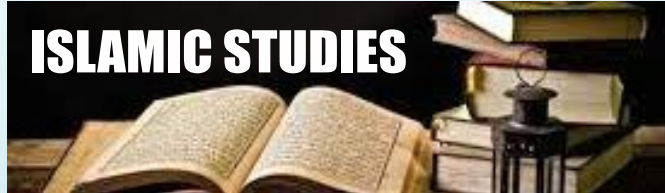

The study of Physics opens the career in the fields of Industries, Education, Automotive and Aerospace Industries, Defense, The Public Sector, Health Care, Energy, Materials Technology, Research, Computing and Information Technology.

MATHEMATICS

The study of Maths is important, at the basic level of Intermediate and in its applied form at Engineering level. Wherever you go, whether it is Economics or Consultancy or Computer Science, Maths is necessary. F.A/F.Sc with Maths builds the foundation for establishing career in Maths.

Career Opportunities

ISLAMIC STUDIES

Studying Islamic Studies encompasses a wide range of topics related to the Holy Quran and Hadith. It opens the career as Islamic Scholar, Islamic Translator, Curriculum Developer and Calligrapher etc.

ENGLISH

A student with an English Literature degree can establish her career in the avenues of Business, Lectureship, Teaching, Communications, Computer Science, Fashion, Law, Marketing, Advertising, Performing Arts, Psychology and Economics. The scope of English Literature degree depends on what you can do with all these major areas.

FINE ARTS

Fine arts is a field for creative people. If anyone has natural talent in creative arts like Painting, Sketching, Drawing, Calligraphy, Illustration, Crafts and Interior Decoration then Fine Arts is the best career option for her. FA with Fine Arts will polish her hidden talents. FA with Fine Arts has great demand and scope in job market.

PSYCHOLOGY

Psychology is the scientific study of changes that occur in human beings over the course of their life span. A student with a degree in psychology can establish her career as an Advertising Agent, Career Counselor, Case Manager, Child Care Worker, Laboratory Assistant, Market Researcher, Psychiatric Technician, Probation and Parole Officer.

Career Opportunities

CLOTHING & TEXTILE

At Intermediate level, studying Clothing and Textile can lay the foundation for the careers like; Fashion Design, Textile Art, Costume Design, Fashion Illustration and Textile Printing etc.

ENVIRONMENTAL STUDIES

Exploring Environmental Studies at Intermediate level lays the groundwork for meaningful and rapidly growing fields focused on sustainability, conservation and environmental protection.

STATISTICS

The scope of Statistics is very vast. FA with Stats lays the foundation for joining different fields of Economics, Business Management, Administration and Research activities.

Sociology, the study of the relationship between man and environment helps in understanding the problems of society. The Pakistani society has become prone to diversified social problems for which social scientists are coming up with appropriate scientific skills to address the social issues and Sociology helps in this regard. National and International NGOs offer the jobs to the students of Sociology.

ASSOCIATE DEGREE PROGRAM (ADP)

An ADP offers benefits like providing a cost effective stepping stone to further education with a Bachelor degree (BS 5th semester) in a related field and a quicker and more affordable entry into the job market equipping graduates with practical skills for immediate employment.

Rules & Regulations

DISCIPLINE RULES

College Discipline Committee comprises the Vice Principal and the nominated lecturers. It observes, reviews and scrutinizes all serious lapses regarding discipline before any final action is taken against any student. The decision of the College Discipline Committee is irrevocable.

1. Uniform must be proper.
2. Jewellery and make-up is not allowed.
3. Regularity in attendance is compulsory.
4. Punctuality must be strictly observed.
5. In case of bunking class, student will be punished as decided by the concerned Lecturer/Discipline Committee.
6. Students will have to produce college Identity Cards as and when demanded.
7. Pilfering, damaging or breaking the furniture, fittings, or other property of college will lead to face penalty/fine.
8. Sticking/pasting bills on any part of any movable/immovable property of college as well as chalking is strictly prohibited.
9. Students are prohibited to take part in politics or activities prejudicial to nature of aspirations.
10. Use of mobile phone is strictly prohibited in college premises during college timings.
11. Silence must be observed particularly inside and near academic blocks.

12. Staying in reading rooms or outside in lawns and hanging around verandas during class is not allowed.

13. Visitors are not allowed to see students during class. Proctors may check and ask visitors to leave college premises if their presence is considered undesirable.

14. Any student who wilfully violates college rules will be subjected to expulsion, restriction, suspension or any other disciplinary action as deemed fit by college authority.

LEAVE RULES

1. Leave will be sanctioned by the Principal.
2. Applications duly signed by the parents/guardians should be submitted through class incharge.
3. Sick leave must be supported by Medical Certificate issued by a registered medical practitioner.

SEND-UPS/PRE-BOARD EXAMS

College abides by the rules levied by FBISE, Islamabad for Intermediate classes.

1. The student who fails to qualify at least three major subjects in Part-I shall stand disqualified forthwith.
2. For sending admission to the Board, 75% attendance is a pre-requisite. Mashal Degree College gives due importance to the December / January Tests and Pre-Board Examination. The College administration has the authority to withhold admission (to the Federal Board) of a student who fails the examinations or whose attendance is less than the required percentage.

Rules & Regulations

FEE DEPOSIT RULES

1. The students will have to deposit fee in the bank using a voucher provided by the Accounts department.
2. Fee once paid is non-refundable.
3. College leaving certificate is issued after the clearance of all dues.
4. Fee must be paid quarterly, if a student fails to pay fee by the due date, she will be fined as per late fee submission rules. Without clearance of dues, admission will not be sent to the Board/University.

COLLEGE UNIFORM

1. Simple white shalwar and simple white shirt (knee length with slip and coat collar).
2. No laces are allowed.
3. Students are provided with coloured dupattas for their respective class/year along with the identity cards by college.
4. Half sleeves are not allowed.
5. Shoes must be black and without heels (open shoes are not allowed).
6. Students have to wear black sweater or black coat in the winter season.

IDENTITY CARD

1. Identity Cards are issued to all students after their admission in the college.

2. Duplicate card can be issued after the payment of Rs 250/-.
3. The students are bound to show their Identity Card to enter college.

BI-MONTHLY TESTS

1. Bi-monthly tests will be taken of each subject.

SESSIONAL TESTS

1. Sessionals would be held after every two months to evaluate the major part of the courses, final evaluation will be based on results of these tests and sessionals.
2. Proper record of each student's performance is maintained and parents are kept informed of their performance.
3. In case of absence during monthly tests, the student will be considered fail.

PAYMENT OF FINE

1. In case of absence for 2 weeks (without application duly approved) the name of student will be struck off the college roll. However, if such a student applies for re-admission, college may grant this facility subject to payment of admission fee.
2. If a student breaks/damages college property she will be charged calculated price of the item / material.

Rules & Regulations

PARENTS TEACHER MEETING

Efforts made by the college authorities for the betterment of students will be more effective if parents/guardians join hands with Teachers/Administration. For this purpose, Parents Teacher meetings are arranged from time to time and the role of the parents in this respect is very significant.

Discipline is the bridge between goals and accomplishment.

Jim Rohn

Rules & Regulations (ADP)

1.General Rules. The university is open to all candidates regardless of religion, race, creed, financial resources, or domicile. The university offers two-year degree programs. The candidates can apply online as well as in person. The admission is offered on open merit. The criterion for each discipline is followed as per the instructions of regulatory bodies. The admission dates are widely advertised in the national newspapers/ website of the University of Wah / social media platforms. An admission cell is established at college for the candidates desirous to apply in person. Admission is offered in the following ADP programs

- a. Computer Science
- b. Mathematics
- c. English
- d. Psychology
- e. Sociology

2.Admission Criteria

- a. FA/F.Sc or equivalent with 2nd division.
- b. F.Sc/ICS for Computer Science with minimum 50% marks. Additional mathematics courses are to be taken by the candidates with F.Sc (Pre-Medical).

3.Prospectus. The prospectus is available online.

4.Submission of Application. Applicants can submit their applications with the required documents to a representative of the admission cell at the College.

5.Fee Refund. The candidates who apply for cancellation of their admission will be refunded tuition fees according to the HEC policy. All types of security fees will be refunded after adjustment of dues, if any.

6.Conduct of Examinations. The examinations of the University will be conducted under the auspices of the examination office and shall be held according to the Date Sheet as notified by the Controller of Examinations.

7.Practical Examination. Practical examination of lab courses will be held as per the schedule given by the department with the approval of the Controller of Examinations.

8.Sub-groups in Practical Examination. For practical examination, the Chairperson of the Department may divide candidates into sub-groups on the recommendation of the course instructor.

9.Course Evaluation. A student shall be evaluated in each course based on aggregate marks obtained through Assignments, Quizzes, Mid-semester Examinations, Semester Projects, and End-semester Examinations as per the following weightage:

Rules & Regulations (ADP)

I. Course Consisting of Theory Only

Component of Exam	% Weightage		
Assignments	5-10	55	100
Quizzes	7.5-15		
Mid-Semester Exam	20-30		
Semester Project	0-20		
End-Semester Exam	45		

II. Course Consisting of Theory & Practical

Component of Exam	% Weightage		
A. Theory			
Assignments	5-10	55	75
Quizzes	7.5-15		
Mid-Semester Exam	20-30		
Semester Project	0-20		
End-Semester Exam	45		100
B. Practical			
Sessional	15	25	
Viva/Oral	10		

10. Result Submission. After End-Semester Examination, the instructor will generate the result sheet through AVICENNA and, with the endorsement of Chairperson and Dean, submit the final sheet to the examination office within five days of the respective examination paper. The instructor shall also submit the marked answer books, exam attendance sheet and a copy of question paper along with the grade sheet.

11. Examination Eligibility. A student shall be eligible to appear in the End-Semester Examination provided that:

- She has been on the University roll during that semester.
- She has registered herself for the courses of studies and attended not less than 80% of the lectures delivered in that course. The Vice Chancellor may condone the deficiency up to 5% of the required attendance on the recommendation of respective Dean and Chairperson. The students falling short of required/mandatory attendance shall not be allowed to appear in the End-Semester Examination of the concerned course and shall be treated as having failed in that course.
- Any student, who has not paid her fees, shall not be allowed to sit in the Mid-Semester Examination and End-Semester Examination.
- Handicapped/disabled students with special needs will be provided a writer by the University on the recommendation of Chairperson of the Department concerned. The writer shall be having a level of education lower than that of the candidate. She would be allowed 45 minutes over and above the stipulated time for solving the question paper.

12. Grades and Promotion.

- The minimum passing marks for each course shall be 50%.
- A student obtaining 40% to 49% marks in a course shall be awarded 'D' grade only for the purpose of promotion to the next semester, however, it is mandatory on the part of student to improve the "D" grade.
- A separate transcript for the period of studies will also be issued to student on request showing the credits completed and

Rules & Regulations (ADP)

grades obtained in courses on the payment of transcript fee. Transcript will bear the signatures of the Controller of Examinations. However, Provisional Certificate will be signed by the Controller of Examinations and the respective Dean.

d. There shall be no re-evaluation of answer books. A student may, on payment of prescribed fee, within thirty days from the date of declaration of the result, get the answer books re-checked for any numerical error like transfer of marks and/or totaling which will be done by the examination office; however, for the discrepancy like unmarked question/portion, the case will be sent to the Chairperson of the concerned department. Errors and omissions, if any, shall be rectified.

e. The answer books used in the examination and the students' attendance sheets will be disposed off after a period of one year.

13. Maximum Residency. A student failing to complete the require credits in maximum residency of the ADP program i.e. 2 academic years shall cease to be the student of the university.

14. Grading System. The students are awarded grades i.e., A, A-, B+, B, B-, C+, C, D and F as per following equivalence:

Grade	Score (%)	Grade Point per
A	>85	4.00
A-	>79 and ≤85	3.67
B+	>73 and ≤79	3.33
B	>67 and ≤73	3.00
B-	>61 and ≤67	2.67
C+	>55 and ≤61	2.33
C	≥50 and ≤55	2.00
D	≥40 and <50	1.00
F	<40	0.00

a. The “D” grade is mandatory to be improved for becoming eligible for the award of degree.

b. Incomplete (I) grade is not counted in calculation of CGPA.

15. Conduct of Viva Voce. Viva Voce Examination date will be announced by the department concerned.

16. Probation Cases.

a. Type-I Probation

(1) A student shall be placed on Type-I Probation if his/her CGPA is between 1.75 and 1.99 (both inclusive).

(2) Student shall be promoted to next semester.

(3) Student must achieve minimum of 2.00 CGPA within the probationary year along with improving the deficient courses (F & D grades).

(4) Two consecutive Type I Probations would amount to a Type II Probation.

b. Type-II Probation

(1) A student shall be placed on Type-II Probation if her CGPA is less than 1.75.

(2) Student shall not be promoted to next semester.

(3) Student must achieve minimum of 2.00 CGPA within the probationary year along with improving the deficient courses (F & D grades).

(4) Two consecutive Type II Probations would amount to struck off from the UW rolls.

Rules & Regulations (ADP)

17. Dismissal

- a. "Academic Dismissal" implies that the student is removed from the University nominal roll and ceases to be a registered student of the University due to academic deficiency.
- b. A student will undergo academic dismissal if she fails to achieve a CGPA of 2.0 at the end of academic year in which he/she was placed on Type-II Probation.
- c. A student who does not attend two semesters and is not in contact with the University management her name shall be struck off from the roll of the University; however, she may seek re-admission in the same semester(s) as and when offered.

18. Fresh Admission. Admission in the first semester, without going through the admission process, is granted to only those undergraduate students who have been dismissed on academic grounds but only for once as fresh admission.

19. Freezing/Dropping of Semester. A student, choosing not to register for a semester, on her written request made to the Chairperson and approved by the Dean of concerned Faculty before the commencement of that semester, shall be deemed to have frozen the semester. In this regard following may be noted:

- a. A student freezing a semester before registration of courses shall be required to pay 5% tuition fee of the semester for continuation of the program.
- b. A student, after registering for a semester, if chooses not to continue that semester, then on her written request made to the Chairperson before the start of End-Semester Examination, shall deem to have dropped that semester. The written request may be approved by the Chairperson/Dean of the Faculty

concerned before the start of End-Semester Examination. It shall be duly notified by the office of the Dean with intimation to all concerned.

- c. The deposited fee of the dropped semester shall not be refunded or carried forward for the semester on resumption of studies as per rules.
- d. A student may be allowed to drop/freeze a maximum of two semesters in his/her academic program.
- e. The dropped/frozen semester(s) for ADP, the dropped/frozen semester(s) shall be counted towards the maximum residency.
- f. If a student remains absent for more than 30 consecutive days in a semester without any valid reason(s) she shall be deemed to have dropped that semester.

18. Incomplete (I) Grade.

- a. A student may be awarded "I" grade in a course, if she cannot take the End-Semester Examination due to permissible reasons (accidental/medical/religious) reported timely. The Chairperson of the concerned department shall decide whether the reason was permissible or not. The appeal may be filed with the Dean of faculty concerned whose decision shall be final.
- b. A student awarded "I" grade in a course may appear in the End Semester Examination of that course whenever held in a summer semester and/or when the examination schedule makes it possible for the student to take the examination after completing the requirements which make her eligible to appear in the examination to the said course. However, in such case, the student's previous attendance and pre-final results of

Rules & Regulations (ADP)

semester exam and quizzes/assignments (sessional work) shall stand valid.

19. Repeating Courses/Improving Grades.

- a. If a student obtains "F"/"D" grade in any course, she shall have to repeat that course. Similarly, whenever a student obtains a grade lower than "B", she can improve the grade.
- b. An academically deficient student who is within minimum residency shall be allowed to repeat/improve the courses during the academic year (Fall, Spring and Summer) whenever teaching and examination schedule make it possible for her to register herself for the courses. In case of Repetition/Improvement of a course, the student shall have to pay Course Registration and Examination Fee as prescribed by the University.
- c. As soon as student improves a course, the grade higher between the original and the improved one shall be used for computation of CGPA. However, both original and improved grades shall be displayed on the Transcript. It shall be noted that a student can only improve a grade lower than "B"; however, the improved grade will not exceed from "B".
- d. A student shall not be allowed to improve her CGPA once she attains minimum of 2.00 CGPA after minimum residency period, provided there is no "F"/"D" grade in courses required for the award of degree.

20. Withholding of Program's Final Semester Result.

- a. The result of program's final semester examination of a student, who is allowed to appear in the final semester examination while carrying "F"/"D" grade courses in lower

semesters, shall not be declared till she has cleared all courses of lower semesters. Her program's final semester result will be declared with the session in which she clears her last course of the degree program.

- b. The Dean may withhold the declaration of the program's final result of a student who has not met all the required conditions of the program.

21. Award of the Degree. The University of Wah shall award the degree to the student who fulfills the following conditions:

- a. Has completed/passed total credit hours/courses of the degree program within the prescribed duration of the degree.
- b. Has scored a final Cumulative Grade Point Average of not less than 2.00 out of 4.00.

Co-Curricular Activities

Mashal Degree College is contributing in developing literary, aesthetic and cultural awareness among students by providing them ripened opportunities to exhibit their potentialities. As students are encouraged to take part in co-curricular activities, therefore, various functions and competitions are organized by students' societies under the supervision of College Council.

STUDENTS' COLLEGE COUNCIL

Co-curricular activities play an important role in character building of students to develop their mental and intellectual abilities. In order to promote the abilities, college has divided students into four houses (Ayesha House, Zainab House, Khadija House, Amna House). The incharges and office bearers of societies have to ensure discipline after selection. Decision of the Principal is considered to be final and council arranges programs with assistance of the concerned society incharges. Functions are held under following societies:

- ✓ Islamic Society
- ✓ Urdu Literary Society
- ✓ English Literary Society
- ✓ Historical Society
- ✓ Home Economics Society
- ✓ Fine Arts Society
- ✓ Sports Society
- ✓ Dramatic Society

The Societies consist of following members:

- ✓ President
- ✓ General Secretary

Co-Curricular Activities

ISLAMIC SOCIETY

Islamic Society is responsible for holding Qirat and Naat competitions for the students.

URDU LITERARY SOCIETY

The Urdu Literary Society is responsible for holding the competitions of declamation contests, debates, mushaira and bait bazi.

ENGLISH LITERARY SOCIETY

The English Literary Society equips the students with optimum oratory and debating skills in order to enhance the argumentative and analytical skills of the students. It holds annual declamation/debate contests.

HISTORICAL SOCIETY

The Historical Society of the college celebrates different national days in the college. The main objective of the society is to create awareness among students of the national and historical events and personalities.

HOME ECONOMICS SOCIETY

The Home Economics Society arranges different competitions of cooking and handicraft to inculcate interest related to domestic responsibilities among students.

FINE ARTS SOCIETY

The Fine Arts Society arranges different competitions of painting and sketching to give an outlet to the latent talents of students.

SPORTS SOCIETY

The Sports Society believes in a “healthy body has a healthy mind”, so it arranges different competitions of sports for students.

DRAMATIC SOCIETY

The Dramatic Society arranges different functions in the college. The society aims to bring forth a recreational spirit among the college students. The events like Dramas, Mimes, Singing competitions and alike are arranged under its supervision.

Co-Curricular Activities

COLLEGE MAGAZINE

The college magazine titled Mashal Chronicles is published annually. The editorial board comprises the students supervised by a few faculty members. Through the college magazine, the students get an opportunity to exhibit their literary skills.

PRE-START EVENT

The conduct of Free Pre-1st year classes is the significant feature of MDC. It helps students to analyse all the facilities and the teaching methodology of faculty.

COUNSELLING SESSION

MDC aims at the moral enrichment of students. In order to achieve this target, tutorials are arranged to groom the students morally and ethically.

FUN FAIR

Mashal Degree College puts due emphasis on building a wholesome personality of students through different activities. For this purpose, MDC holds Fun-fair once in a session so as to provide an opportunity to students for learning universal values i.e teamwork, sportsmanship and self-discipline.

Co-Curricular Activities

SPORTS FACILITIES

Indoor and outdoor game competitions are arranged annually. Besides, the college tenders coaching facilities for the following sports:

- ✓ Badminton
- ✓ Net Ball
- ✓ Volley Ball
- ✓ Cricket
- ✓ Tennis

Mashal Degree College has the honour of being champion of Volley Ball and Cricket in Federal Board Intercollegiate Competitions in years 2005 and 2006 respectively.

College Cricket Team stood 3rd in Federal Board Inter-Collegiate Cricket Tournament, 2011. College is also proud of one of its students Ms. Iqra Mahroof, who represented the College in PCB Regional Cricket Championship. Ms. Iqra Mahroof and Ms. Kisfa Bibi participated in All Pakistan Inter Boards Girls Sports Tournament, 2011-12.

College secured Runners-up position in Volley Ball and Cricket in 2011-12 and Runners-up in Volley Ball in 2013 in Federal Board Inter-Collegiate Competitions.

Co-Curricular Activities

A RECREATIONAL TRIP TO JOYLAND

A recreational trip to Joyland was organized for the students of MDC in February, 2025 to refresh their minds so that they may improve their concentration in learning.

Co-Curricular Activities

FLOWER & LAWN COMPETITION

Mashal Degree College won 3rd prize in lawn competition in 2017, 2nd prize in cut flower arrangement competition in 2017 and in 2018, MDC won 1st Prize in Flower & Lawn Competition arranged by POF. Again the institution won 2nd position in Lawn Competition in 2019.

In 2021, the college got a consolation prize in Tree Plantation Competition arranged by POF. Mashal Degree College secured Second Position in Spring Plantation Competition, 2022 and was awarded with the cash prize.

MDC secured First position in Lawn Competition in Annual Spring Festival, 2025 organized by POF and was awarded with the cash prize.

CAREER COUNSELING LECTURE BY UW

Career counseling within institutions helps students explore their interests, develop skills and make better choices about their educational and professional paths ultimately leading to a more fulfilling and successful career. MDC in this regard arranges lectures to guide students in making informed career choices.

Co-Curricular Activities

CONTINUING PROFESSIONAL DEVELOPMENT

Conducting seminar and lecturing contribute a lot to improve teaching skills. The administration of MDC always keeps this fact in mind that good teachers become great teachers by going beyond the text book.

In this respect, to accelerate the pace of teaching methodology, seminars / lectures are arranged for faculty development. These lectures prove fruitful for the professional training of faculty members.

TRAINING WORKSHOPS BY FBISE

MDC faculty members attended lecture on 22nd Oct, 2024 delivered by Director Academics FBISE under the project “SLO Based Teaching and Examination System”.

Another lecture on “Inclusive Scheme of Studies and the launch of New Groups at Intermediate level” was delivered by Director Academics FBISE on 21st Apr, 2025 and all the faculty members attended the lecture.

The primary objective of these lectures was to enhance the knowledge and skills of teachers in the areas of SLO based pedagogy, updated modes of education, assessment and examination system.

Awareness Lectures

AWARENESS LECTURE

MDC administration arranges awareness lectures for the students. In this context, a lecture on “Breast Cancer Awareness” was organized in UW Auditorium.

CONTINUING PROFESSIONAL DEVELOPMENT

Conducting seminars and lectures contributes a lot to improve teaching skills. The administration of MDC always keeps this fact in mind that good teachers become great teachers by going beyond the text book.

In this respect, to accelerate the pace of teaching methodology, seminars/lectures are arranged. These lectures prove fruitful for the professional training of faculty members.

A LECTURE BY DR. DAVID JEFFERY WINELAND (NOBEL PRIZE WINNER 2012)

A lecture entitled "Atomic Clock of Elements Quantum Computing Using Trapped Elements" by a renowned physicist at the National Institute of Standards and Technology Dr. David Jeffery Wineland, Nobel Prize Winner was arranged by administration to quench the thirst of knowledge of bright students.

LECTURE ON PHYSICS

A lecture on Physics was organized in UW Auditorium in order to enhance the knowledge of students about Physics. The honourable guest speaker was Prof. Dr. Jameel-un Nabi, Vice Chancellor UW.

Awards & Certificates

Alumni

RABIA MALIK

I am Rabia Malik, currently serving as an Assistant Director at NADRA HQ. As an alumna of Mashal Degree College community, I am reminded of the strong foundation that Mashal Degree College helped me build. I want to express my heartfelt appreciation to the dedicated and supportive faculty, who not only imparted knowledge but also inspired and motivated me to reach my full potential. Exceptional facilities of college, its vibrant conducive environment and emphasis on academic excellence provided an ideal platform for me to learn, grow and succeed. I am thankful for the opportunities, experiences and memories that I have made at Mashal Degree College and I will always cherish them.

Thank you to the entire team for playing a significant role in shaping my future and helping me become the person I am today.

HIBA FAISAL

I am a bachelor's student of NCA, Rawalpindi. MDC is more than just an institution. It is a community that nurtures growth, fosters creativity and inspires excellence. With its rich history, exceptional faculty and diverse students opportunities for holistic development, MDC has become a beacon of academic excellence. I feel proud to be a part of this institution, where we are not just students but family. MDC has given me countless opportunities to explore my passions, develop my skills and build lifelong relationships. I am grateful for the experience and knowledge gained within these walls. MDC is a place where dreams are nurtured.

ASMA GHAURI

Though currently pursuing an MS degree on scholarship in Management Sciences at COMSATS Wah Campus, I began my academic journey at MDC, completed my degree in Commerce and built a strong foundation for my future. Those years were truly informative and shaped my understanding of business, finance and economics. More than just textbooks, the learning experience was enriched by the guidance of teachers who not only imparted knowledge but also instilled values of hard work and perseverance. Their dedication and support played a crucial role in shaping my career aspirations in higher education.

Thanks to MDC.

ABEER SAJID

I am currently pursuing a Bachelor's degree in Psychology from Nust. As I reflect on my academic journey, I am reminded of the pivotal role, that Mashal Degree College has played in shaping me into the person I am today. My decision to pursue Psychology was largely influenced by the exceptional Psychology department at MDC. The teachers were outstanding and their guidance helped me grow in many ways. Their mentorship has been valuable and I credit them for my smooth transition to university life.

During my time at MDC, I had the opportunity to explore my artistic side and participate in various extracurricular activities. One of the highlight was winning second prize in a national-level competition on Iqbal day. I am grateful to the entire staff at MDC for their unwavering support. Principal Dr. Aneela Tabassum, in particular, stands out as an exceptional leader and mentor. Her kindness, empathy and dedication to her students' success have left a lasting impression on me.

I will always cherish the memories and lessons learned during my time there.

Alumni

BISMA NOOR

I am doing BS Psychology from University of Wah. Being a graduate of the Associate Degree Program (ADP) in Psychology from Mashal Degree College, I can affirm that this journey has been instrumental in shaping my academic pursuit. In fruitful years spent at MDC, I learnt to be a responsible citizen and good human being. The comprehensive curriculum coupled with engaging teaching methodologies, enabled me to delve deeper into the intricacies of human behavior and mental processes. Through interactive class discussions, thought-provoking assignments, and collaborative projects, I developed essential skills such as critical thinking, research and effective communication.

Furthermore, participating in internships provided me with hands-on experience, bridging the gap between theoretical knowledge and practical application. Studying at MDC was the best decision of my life.

Thanks to MDC.

HIRA FAISAL

I am currently studying Computer Engineering in Comsats University. I did my F.Sc from Mashal Degree College. My journey at Mashal Degree College was truly transformative. The supportive faculty, comprehensive curriculum and vibrant campus culture provided the perfect environment for growth, both academically and personally. Beyond academics, the extracurricular opportunities and leadership experiences ignited my latent talents. As I move forward in life, I carry with me the lessons and values that Mashal Degree College has instilled in me.

May Allah Almighty bless all my teachers and give a lot of success to MDC. Ameen

Alumni

AINA MIR

I have recently completed my BS in Visual Communication from COMSATS University, Islamabad. My time at MDC was truly enriching. The college introduced me to a dynamic environment filled with experienced teachers who brought real-world insights to each lecture. This experience not only expanded my skills but also boosted my confidence for creative journey ahead. Thanks to MDC for empowering me with the necessary skills for my future.

RAFIA KAMRAN

By the grace of Allah Almighty, I am a student of CA (Chartered Accountancy) at SKANS University, Rawalpindi. I did my FSC Pre-Engineering from Mashal Degree College. This college is a place where students come unsure of what they want to become with almost little knowledge about their ambition but I was fortunate enough to have great teachers who guided me to the right choice. They were always very supportive, caring and hard working. All the teachers behave like parents. Anyone who wants to change her life and achieve goal, I recommend MDC for her. Special thanks to all my teachers who groomed me with teaching methodology. In short, MDC is the name of excellence and success. May Allah Almighty bless all my teachers and give a lot of success to MDC. Ameen.

Alumni

NAILA ATIQ

I am a student of Microbiology in National University of Medical Sciences. Before joining this program, I completed my studies at Mashal Degree College. The college played a significant role in shaping my academic journey with its highly qualified faculty, comprehensive curriculum, state of the art laboratories, well equipped library and serene environment due to the magnificent lawns. MDC offers a complete package for the holistic personality development.

Choosing MDC for my Intermediate degree proved a life shaping decision.

DUA FATIMA

I am Dua Fatima. Recently, I have completed my M.Sc in physics from Riphah International University Islamabad. During my F.Sc at MDC, I had the opportunity to explore various subjects and engage in extracurricular activities. The administration and teachers were knowledgeable and very supportive and I really enjoyed the vibrant campus atmosphere. MDC has exemplary discipline which is aiding to its educational efforts in achieving success and commendable reputation. It is not just a college; it is a place where teachers support the learners at every step of the way to make them competent citizens. I owe my achievement to MDC.

May this institution progress by leaps and bounds. Aameen

Alumni

NABIHA IMTIAZ

I am an undergraduate student of Telecom Engineering at the University of Engineering and Technology (UET) Taxila. I had the privilege of studying at Mashal Degree College. I am humble to share my academic journey, which has been blessed with numerous opportunities for growth and learning. At MDC the untiring efforts of the dedicated faculty, the nurturing environment and academic rigor provided me inspiration to pursue a career in engineering.

Always remember, hard work is the key to success. Stay focused and never give up on your dreams.

May Allah SWT bless you with guidance and success in your dreams! Ameen

MDCAA

(MASHAL DEGREE COLLEGE ALUMNI ASSOCIATION)

MDC administration formed MDCAA (Mashal Degree College Alumni Association) with the aim to develop strong bond of loyalty between Alumni and College so that the stature of college may be uplifted.

All MDC students will be the members of MDCAA (Mashal Degree College Alumni Association). MDCAA is responsible to hold the following events to achieve the objectives:

- ✓ Career workshops
- ✓ Formal Alumni Meetings
- ✓ Alumni Engagement on Social Media

Alumni Reunion

MDC administration held 1st Alumni Meet to reconnect, reminisce and celebrate the shared journey with past graduates and faculty.
