Management

Chairman POFs Board and Board of Governors University of Wah

Lt. Gen.Tahir Hameed Shah HI(M)

Vice Chancellor

Prof. Dr. Jameel-Un Nabi

Principal

Dr. Mussarrat Malik

Greetings from the Vice Chancellor

Dear Students,

At MDC, we firmly believe that the empowerment of women is a national imperative. In this regard, we go beyond traditional academics to equip our students with digital literacy, entrepreneurial vision, critical thinking and essential skills for thriving in a rapidly evolving world, through a balanced integration of curricular and co-curricular activities.

MDC management is committed to provide skill-based education that ensures the holistic development of students by fostering creativity, resilience and social awareness. We aim to create a safe, inclusive and intellectually stimulating environment where learners are encouraged to discover and realize their true potential.

We warmly invite you to join MDC and transform your aspirations into meaningful leadership.

عزیز طالبات

مشعل کالج میں ہمارا پختہ یقین ہے کہ خواتین کو بااختیار بنانا ایک قومی ضرورت ہے۔ اسی لیے ہم صرف روایتی تعلیم تک محدود نہیں رہتے، بلکہ اپنی طالبات کو ڈیجیٹل دور کی مہارتیں، کاروباری سوچ اور تنقیدی شعور سکھاتے ہیں۔ نصابی اور ہمنصابی سرگرمیوں کے بہترین توازن کے ذریعے آپ کو آج کی تیزی سے بدلتی دنیا میں کامیابی کے لیے تیار کرتے ہیں۔

مشعل کالج کی انتظامیہ ایسی تعلیم فراہم کرنے کے لیے پُر عزم ہے جو نہ صرف آپ کی مہارتوں کو نکھارے بلکہ آپ کی شخصیت میں تخلیقی صلاحیتیں، ہمت اور سماجی شعور بھی پیدا کرے۔ ہمارا مقصد ایک ایسا محفوظ اور حوصلہ افزا ماحول فراہم کرنا ہے جہاں طالبات کو اپنی چھپی ہوئی صلاحیتوں کو پہچاننے اور انہیں نکھارنے کا بھرپور موقع ملے۔

ہم آپ کو مشعل کالج میں شمولیت کی پُر خلوص دعوت دیتے ہیں تاکہ آپ اپنی امنگوں کو حقیقت بنائیں اور ایک بااثر قیادت کے طور پر ابھریں۔

Message from the Principal

Dear Students!

I welcome you at MDC for your next step of education. At MDC, our mission is to provide an environment where academic rigor meets modern innovation, ensuring our students may get prepared for the challenges of a globalized world. We believe that when you empower a woman, you empower a nation.

MDC administration strives for the constructive changes to enrich the present young generation with skills so as to match the pace with the world and the launch of Inter-Tech program at MDC is the proof of this effort. In this era of digital revolution, education hinges around innovation, creativity, skill development and applied expertise and MDC constantly looks for cerebral avenues for improvement, be it infrastructure, academic excellence or co-curricular activities. We don't just aim for degrees; we aim for impact. By choosing MDC, you are joining a community committed to turning your potential into leadership.

I welcome you at MDC with the assurance to nurture your vision and materialize your dreams.

May Allah (SWT) be your Helper and Protector! Ameen

عزیز طالبات

میں آپ کو آپ کے تعلیمی سفر کے اگلے مرحلے کے لیے مشعل کالج میں خوش آمدید کہتی ہوں۔ مشعل کالج میں ہمارا مشن ایک ایسا ماحول فراہم کرنا ہے جہاں علمی معیار اور جدید اختراعات کا ملاپ ہو تاکہ اس بات کو یقینی بنایا جاسکے کہ ہماری طالبات عالمی چیلنجز کے لیے تیار ہو سکیں۔ ہمارا پختہ یقین ہے کہ جب آپ ایک عورت کو بااختیار بناتے ہیں، تو آپ ایک قوم کو بااختیار بناتے ہیں۔

مشعل کالج کی انتظامیہ موجودہ نوجوان نسل کو ایسی مہارتوں سے آراستہ کرنے کے لیے مثبت تبدیلیوں کو متعارف کروانے کے لیے کوشاں ہے جو دنیا کی رفتار کے ساتھ قدم ہلانے میں ان کی معاون ہوں اور کالج میں "انٹر-ٹیک" پروگرام کا آغاز اس کاوش کا ثبوت ہے۔ ڈیجیٹل انقلاب کے اس دور میں، تعلیم کا محور جدت، تخلیقی صلاحیتوں، مہارتوں کی نشوونما اور عملی تجربہ ہے۔ اس تناظر میں ہمارا ادارہ بہتری کے لیے مسلسل نئے فکری راستوں کی تلاش میں رہتا ہے، خواہ وہ کالج کلنیڈی ڈھانچہ ہو، تعلیمی فضیلت یا ہم نصابی سرگرمیاں۔ ہمارا مقصد محض ڈگریاں حاصل کرنا نہیں بلکہ اثر چھوڑنا ہے۔ مشعل کالج کا انتخاب کر کے، آپ ایک ایسی کیونٹی کا حصہ بن رہی ہیں جو آپ کی صلاحیتوں کو قیادت میں بدلنے کے لیے پرعزم ہے۔

میں مشعل کالج میں آپ کے نصب العین کی آبیاری کرنے اور آپ کے خوابوں کو حقیقت کا روپ دینے کی یقین دہانی کرتی ہوں۔

اللہ تعالیٰ آپ کا حامی و ناصر ہو۔ آمین

OVERVIEW

Mashal Degree College is affiliated with FBISE Islamabad for the Higher Secondary level.

The college had its humble beginning in 1993 in the building of Nasheman (School for Special Education, Wah Cantt). It was temporarily shifted to Welfare School in 1995 owing to the rapid increase in the number of students.

In 1997, by the grace of Allah Almighty, the college was shifted in its own magnificent building at Quaid Avenue. It became a constituent college of University of Wah in 2005. With its splendid academic campus, the college offers the most innovative, disciplined, dynamic and enlightened environment to students nurturing their abilities and training them to stand steadfast during the difficult times ahead and to perform their responsibilities in a wise manner.

Welcome to MDC

On entry to Wah Cantt through Barrier 01, the first building on Quaid Avenue which welcomes you is Mashal Degree College; with University of Wah (Quaid Campus). In order to maintain better discipline and serenity in academic atmosphere, Mashal Degree College has independent access and soft partitioning with the University.

A marvelous campus consisting of an Admin block, three Academic blocks and an Auditorium has given it the status of one of the great centers of excellence in this region. The well-equipped and up-to-date laboratories of college serve the scientific and technical demands of education. The facility of a vast parking area and a cafeteria also meets the needs of students and staff members.

HONOUR OF MASHAL DEGREE COLLEGE

39th Position in 2019 among 1158 affiliated institutes of FBISE

The Emblem

The Ayat of the Quran in emblem symbolizes the significance of knowledge for human beings. In the symbol, the Pen shaped Torch, Pen represents the source of knowledge and Torch or Mashal signifies the light of knowledge that the college is spreading around to convert the darkness of ignorance into the enlightenment of young minds. The colours of the torch signify the vitality, jubility and ambition of young students.

MISSION

Mashal Degree College aims to activate and strengthen students by imparting knowledge of modern and traditional fields, emphasizing the basic dogmas of Islamic code of life to make the character of young girls accomplished with updated knowledge and firmly rooted religious ideals so they can outshine in their lives.

VISION

To become a bastion of academic excellence and empower our youth to face the challenges of life with honour and confidence being good muslims and honourable Patriots.

VALUES

- Morality
- Patriotism
- Accomplishment
- Commitment
- Excellence

Facilities

Mashal Degree College has a clear vision, envisaging direction as well as destination. The College aims at helping students in their intellectual growth. As a prestigious promoter of education, the College offers following facilities:

BUILDING

The academic campus of any educational institution adds to the nurturing of its students. Thus, the college building comprising spacious Academic blocks, a splendid Auditorium and an Admin block is imparting a sense of ownership and pride to its asset.

LABORATORIES AND EQUIPMENT

Mashal Degree College has state-of-the-art laboratories which are fully equipped with latest technology for imparting training to students. These up-to-date labs successfully conduct the practicals related to following areas:

- ✓ Biology
- ✓ Physics
- ✓ Chemistry
- ✓ Computer Science
- ✓ Psychology
- ✓ Fine Arts
- ✓ Home Economics
- ✓ Statistics

Facilities

BIOLOGY LAB

Biology lab boasts a large collection of animal and plant specimens in addition to necessary apparatus and equipment required for conducting practicals.

CHEMISTRY LAB

Chemistry lab is provided with all necessary chemicals, solvents and apparatus to conduct experiments.

Facilities

COMPUTER LAB

MDC has a well equipped computer lab and its accessibility to both faculty and students enables the integration of interactive technology into teaching/learning environment. Other facilities including printing, multimedia, internet facility, overhead and multimedia projector are also available in the lab.

FINE ARTS LAB

Fine Arts lab is furnished with all necessary materials to provide students an open opportunity to work in different mediums of painting such as water, oil and charcoal etc.

Facilities

HOME ECONOMICS LAB

The lab is well equipped with the latest appliances used in practicals related to cooking, baking, stitching and designing, as a partial fulfillment of their study program.

PHYSICS LAB

Physics lab is well equipped with necessary apparatus for experiments related to light, heat and electricity.

Facilities

PSYCHOLOGY LAB

Psychology lab provides all facilities for practical work as per criteria defined by FBISE, Islamabad.

STATIONERY SHOP

MDC also possesses the facility of stationery & photocopy shop for the students.

SEMINAR ROOM

A Seminar room equipped with state of the art audio-visual presentation aids has been constructed. It is utilized for workshops, seminars, meetings and conferences.

Facilities

LIBRARY

In an ideal educational institution, classroom instructions and self-study in library go hand in hand. The library aims at providing the resources and environment to enhance students' learning experience. College library has a variety of reading material like books, journals, encyclopedias, periodicals and newspapers. A large number of reference books on various subjects is available for students and staff as well.

LIBRARY RULES

- ✓ College library cards will be issued to all enrolled students.
- ✓ Books are issued for a period of 15 days maximum.
- ✓ The books may be re-issued to a borrower with permission of the librarian.

Facilities

COLLEGE CAFETERIA

College has its own upgraded cafeteria. It is supervised by a Canteen Committee to ensure quality and hygiene of the food. It offers snacks at controlled rates.

SECURITY ARRANGEMENTS

Keeping in view the present security hazards, CCTV cameras have been installed in all academic blocks. Moreover trained and professional security guards have also been appointed to ensure a secure environment.

TRANSPORT FACILITY

Mashal Degree College facilitates the students by providing them the transport facility so as to facilitate their traveling to college.

MULTIMEDIA CLASSROOMS

Keeping in view the demands of the modern age, MDC administration has equipped the class rooms with Multimedia and Smart LEDs to ensure the updated system of education.

SICK ROOM

In order to cope with the minor health issues of students, a sick room with the facilities of first aid has been built. The facility of an ambulance is also provided to students when required.

BANK FACILITY

A bank point along with ATM has been installed to facilitate students and staff. Now fee can be deposited easily within the college premises.

Facilities

AVICENNA

MDC has shifted its administrative data on AVICENNA.

AVICENNA is the Campus Management System (CMS) of University of Wah that maintains and processes database and provides online academic/curricular records and students' results. It is a web-based application with multiple web browser support that manages all day-to-day activities of UW efficiently and securely across multiple departments, faculty, staff and students. AVICENNA is named after Ibn-e-Sina (c.980-1037), a great Persian Scholar of the Islamic Golden Age. AVICENNA CMS is indigenously developed by IT Team at University of Wah.

Following are the AVICENNA modules that are operational in Mashal Degree College:

- ✓ Conduct of Admissions
- ✓ Attendance Management
- ✓ Result Management System

Admission Policy

Admission forms will be available within a week after declaration of SSC result. The rules and regulations for admission are as follows:

1. Admission in Mashal Degree College is open to all candidates regardless of religion, race, creed, province or Board.
2. Admission in Mashal Degree College is granted on open merit basis.
3. College has the right to reject any application form for admission in any group/programme and no claim will be entertained against it.
4. Applications for admission are received on prescribed admission forms attached with the prospectus available at the College admin office on payment.
5. The application for admission, complete in all aspects, should reach the Admission Office of Mashal Degree College within due date.
6. All the documents attached with the application form must contain correct information and should be attested by a Class-I Officer/Gazetted Officer (the detail of the required documents is given on the application form).
7. Any Admission Form containing incorrect or false information shall stand rejected forthwith (at any time during the session) and the fee and other dues deposited shall be forfeited.
8. All candidates are to opt for one group of subjects. A candidate who wishes to apply for more than one group shall have to submit a separate form for each group.
9. List of candidates eligible for admission will be displayed on college notice board after clearance by the Admission Committee.
10. Incomplete forms will be rejected.
11. The candidates will be considered “enrolled” as college students after the signature of the concerned authorities on the paid bank receipt.
12. All the admissions will be provisional till the acceptance from the Federal Board.
13. Submission of an application form does not necessarily qualify an applicant for admission.
14. Admission will be done strictly on merit as per the College policy and the pre-requisites defined by FBISE for Intermediate.
15. The class in any subject will commence if the number of students is not less than fifteen.
16. Twenty additional marks (in overall merit) will be given to Hafiz-e-Quran candidates on provision of certificate/testimonial.
17. A student can change group/subjects, within a week after commencement of classes, on recommendation of the Admission Committee, subject to the availability of a seat (change of group/subject is not a matter of right but a privilege offered by the College).

Financial Assistance

College has a human and humane approach towards all of its students to provide quality education at a nominal fee.

CONCESSION IS GRANTED TO STUDENTS ON THE FOLLOWING BASES

CATEGORIES
POF Employees
Merit-Based (1st Year)
Merit-Based (2nd Year)
Kinship Based
Need-Based

Fee discount will be granted after the declaration of FBISE SSC result, 2026.

NOTE: The seats are limited.

NOTE

- If the number of students is less than 15 in any combination, that combination will not be offered.
- Fine Arts and English Literature are test based subjects.

Career Opportunities

SCOPE OF STUDYING ENGINEERING AT INTERMEDIATE LEVEL

The scope of Engineering at Intermediate level is wide-ranging and leads to numerous exciting and high-demand career paths not just engineering in the traditional sense.

Traditional Engineering Fields (After Engineering):

- Mechanical Engineering
- Electrical Engineering
- Civil Engineering
- Chemical Engineering
- Mechatronics Engineering
- Computer Engineering
- Telecom Engineering
- Software Engineering
- Aerospace Engineering
- Architectural Engineering

These fields often require entrance exams like ECAT or university-specific tests.

High-Tech and Emerging Fields:

- Artificial Intelligence & Machine Learning
- Data Science
- Robotics
- Nanotechnology
- Cyber security
- Game Development
- Renewable Energy Engineering
- Biomedical Engineering
- Environmental Engineering

Non-Engineering but Related Career Options:

- BS Mathematics / BS Physics / BS Chemistry
- Computer Science / IT / Software Development
- Architecture
- Industrial Design
- Product Design
- Project Management
- Business with Tech (e.g., BBA with Data Analytics)

Career Opportunities

SCOPE OF STUDYING GENERAL SCIENCE AT INTERMEDIATE LEVEL

The scope of General Science at Intermediate level is quite flexible and can lead to a variety of academic and professional paths.

Higher Education Options after Intermediate with General Science:

Students can pursue Bachelor's degrees (BS) in a wide range of subjects, including:

Quantitative & Analytical Fields:

- Statistics
- Economics
- Mathematics
- Data Science (with some additional prep)

Technology & Computing:

- Computer Science / IT
- Information Systems
- Web & App Development

Business & Management:

- BBA (Bachelor of Business Administration)
- Commerce / Accounting & Finance
- Marketing
- Human Resource Management

Career Opportunities

SCOPE OF STUDYING COMPUTER SCIENCE AT INTERMEDIATE LEVEL

The scope of studying Computer Science at Intermediate level is massive and rapidly growing due to the digital transformation across every industry. It is a great option if you are interested in technology, logic, programming or digital systems.

Higher Education Options after ICS:

After completing ICS, you can pursue many degree programs such as:

Computer & IT Related Degrees:

- BS Computer Science (BSCS)
- BS Software Engineering
- BS Information Technology (BSIT)
- BS Data Science
- BS Artificial Intelligence
- BS Cyber security
- BS Game Development
- BS Robotics

Analytical & Business-Oriented Fields:

- BS/BBA in Business Analytics
- BS in Statistics / Data Analytics
- E-Commerce / Digital Marketing
- Finance / Accounting with IT focus

Creative & Tech Combo Fields:

- Multimedia & Animation
- Graphic Design
- Web & Mobile App Development

Career Scope after ICS:

With further education or skills training, ICS students can enter careers like:

- Software Developer
- Web Developer
- App Developer
- Game Developer
- Cyber security Analyst
- Data Analyst / Scientist
- IT Support Specialist
- Digital Marketer
- Cloud Computing Expert
- Freelancer / Tech Entrepreneur

Industry Demand:

- Global demand for tech professionals is increasing every year.
- Fields like AI, Data Science, Cloud Computing, and Cyber security are among the highest-paying and fastest-growing worldwide.

Career Opportunities

SCOPE OF STUDYING HOME ECONOMICS AT INTERMEDIATE LEVEL

The scope of Home Economics at Intermediate level is much broader than many people realize. It's a great option for students especially those interested in human development, nutrition, family life, fashion, interior design and education. Home Economics prepares students for practical life skills as well as a wide range of professional careers.

Higher Education Options after Intermediate in Home Economics Group:

You can continue to Bachelor's or BS-level programs in:

Health & Nutrition:

- BS Human Nutrition & Dietetics
- BS Food Science & Technology
- BS Public Health

Fashion & Design:

- BS Clothing & Textile
- BS Fashion Design
- BS Textile Design
- BS Interior Design

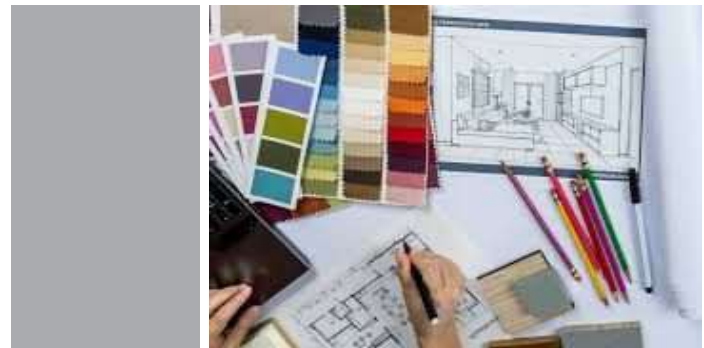

Home Management & Education:

- BS Home Economics (4-year)
- BS in Home Management / Family Studies

Career Options after studying Home Economics:

- Dietitian / Nutritionist
- Fashion Designer / Textile Expert
- Interior Designer
- Childcare Specialist / Early Childhood Educator
- Teacher / Lecturer

- Food Quality Controller
- Social Worker / Community Outreach Officer
- Event Planner / Household Management Consultant
- Entrepreneur (e.g., food business, boutique, day-care center)

Career Opportunities

SCOPE OF STUDYING INTER-TECH PROGRAM

Introduction

The “Inter-Tech Program at HSSC level” introduced by the Federal Board of Intermediate and Secondary Education is a modern technical education pathway designed for students who wish to combine higher secondary education with practical and career-oriented skills. Equivalent to traditional Intermediate (FA/FSc/ICS) education, this two-year program equips students with specialized technical knowledge alongside compulsory academic subjects, enabling them to meet the evolving demands of the modern workforce.

Objective

- To bridge the gap between conventional education and industry requirements by emphasizing hands-on learning, technical proficiency, innovation & entrepreneurship.
- To enable students to develop market-relevant skills in diverse fields.
- To prepare students for modern technical fields.
- To align education with contemporary technological and vocational trends.

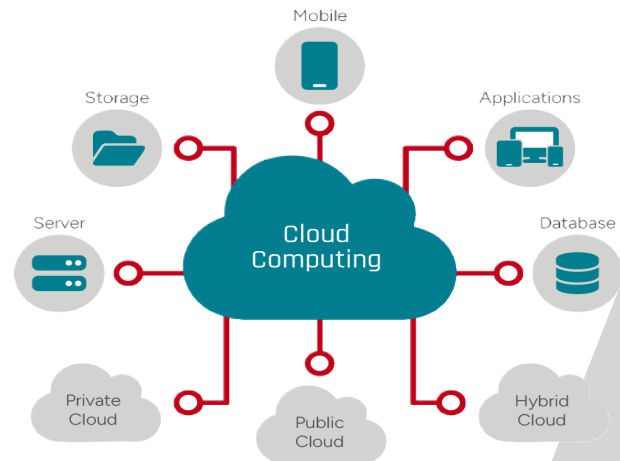

Career Opportunities

SCOPE OF STUDYING INTER-TECH PROGRAM

Inter-Tech students gain practical knowledge that can help them secure entry-level jobs in their desired fields. Inter-Tech is a strong option for students who are interested in practical learning, technical expertise, and career-oriented education. It opens pathways toward higher education, employment, and entrepreneurship while addressing the growing demand for skilled professionals in Pakistan.

Career Paths

- **Entrepreneurship / Self-Employment**
Students can start small businesses based on their technical skills
- **Demand in Modern Economy**
With increasing focus on technical education in Pakistan through institutions such as National Vocational and Technical Training Commission and various provincial technical boards, skilled workers are becoming more valuable in both local and international markets.
- **Faster Entry into Practical Careers**
Unlike traditional pre-medical or pre-engineering tracks that are often more theoretical, Inter-Tech gives students hands-on exposure, making them job-ready earlier.

Career Opportunities

BIOLOGY

The scope of biology as a whole is incredibly vast. Students studying biology create scope for themselves in the fields of Health, Medicine, Agriculture and Industry.

CHEMISTRY

The scope of chemistry branches out into a host of different specialized fields of expertise e.g. Scientific Research, Medicine, Industry, Aviation, Space and military purposes.

PHYSICS

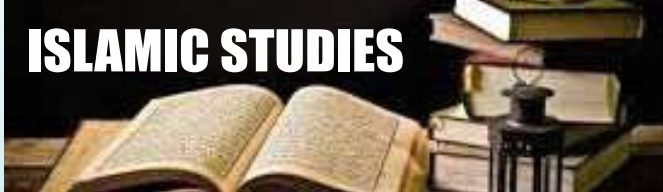

The study of Physics opens the career in the fields of Industries, Education, Automotive and Aerospace Industries, Defense, The Public Sector, Health Care, Energy, Materials Technology, Research, Computing and Information Technology.

MATHEMATICS

The study of Maths is important, at the basic level of Intermediate and in its applied form at Engineering level. Wherever you go, whether it is Economics or Consultancy or Computer Science, Maths is necessary. F.A/F.Sc with Maths builds the foundation for establishing career in Maths.

Career Opportunities

ISLAMIC STUDIES

Studying Islamic Studies encompasses a wide range of topics related to the Holy Quran and Hadith. It opens the career as Islamic Scholar, Islamic Translator, Curriculum Developer and Calligrapher etc.

ENGLISH

A student with an English Literature degree can establish her career in the avenues of Business, Lectureship, Teaching, Communications, Computer Science, Fashion, Law, Marketing, Advertising, Performing Arts, Psychology and Economics. The scope of English Literature degree depends on what you can do with all these major areas.

ART, MODEL DRAWING & FINE ARTS

Fine arts is a field for creative people. If anyone has natural talent in creative arts like Painting, Sketching, Drawing, Calligraphy, Illustration, Crafts and Interior Decoration then Fine Arts is the best career option for her. FA with Fine Arts will polish her hidden talents. FA with Fine Arts has great demand and scope in job market.

PSYCHOLOGY

Psychology is the scientific study of changes that occur in human beings over the course of their life span. A student with a degree in psychology can establish her career as an Advertising Agent, Career Counselor, Case Manager, Child Care Worker, Laboratory Assistant, Market Researcher, Psychiatric Technician, Probation and Parole Officer.

Career Opportunities

The scope of Statistics is very vast. FA with Stats lays the foundation for joining different fields of Economics, Business Management, Administration and Research activities.

Sociology, the study of the relationship between man and environment helps in understanding the problems of society. The Pakistani society has become prone to diversified social problems for which social scientists are coming up with appropriate scientific skills to address the social issues and Sociology helps in this regard. National and International NGOs offer the jobs to the students of Sociology.

Departments/Faculty

Department of Biology

The department of Biology at Mashal Degree College offers a dynamic learning environment for HSSC students, blending theoretical knowledge with extensive practical training. Our services include fully equipped laboratory, a rich specimen collection, weekly assessments aligned to FBISE curriculum and mode of assessment at HSSC level. Students benefit from supervised practical sessions, career counseling and activities like biology exhibitions and study tours. We are committed to nurturing future doctors, researchers, and healthcare professionals with scientific curiosity and critical thinking.

Faculty

Ms. Nosheen Akhtar

M.Sc, Quaid-e-Azam University, Islamabad

Ms. Alishba Ali

M.Sc, Quaid-e-Azam University, Islamabad

Department of Chemistry

The department offers HSSC students a complete foundation in physical, organic and inorganic chemistry. Practical lab work in titration, salt analysis, and organic preparations builds core experimental skills.

Students develop accuracy in calculations, reaction analysis, and safe laboratory practices. The curriculum supports preparation for medical, engineering, pharmacy and science entry tests.

The faculty focuses on clear concepts, critical thinking and scientific curiosity.

Faculty

Ms. Amna Siddique

M.Phil, University of Wah, Wah Cantt

B.Ed, AIOU Islamabad

Ph.D in progress (UW)

Ms. Nimra Ayub

MS, University of Wah, Wah Cantt

Department of Computer Science

Computer Science Department at college is a vibrant place where students engage with real-world technology. The department has a highly qualified and experienced faculty, a rich and FBISE approved curriculum, and a well-equipped lab with the state of the art PCs for providing hands-on Training to the students. All this prepares our students for the future endeavours and challenges in the computer science field. This curriculum includes cloud computing, IoT, data science, python, artificial intelligence and entrepreneurship. It provides vast opportunities in the computer field.

Faculty

Ms. Beenish Ali

MCS, International Islamic University, Islamabad

Ms. Lubna Qaiser

MCS, Fatima Jinnah Women University, Rawalpindi

Ms. Iqra Rasheed

MS(CS), Comsats University, Wah Campus

Departments/Faculty

Department of English

The department of English is a vibrant and integral part of Mashal Degree College, dedicated to delivering quality education at HSSC level in strict conformity with the FBISE curriculum and examination requirements.

Through a balanced approach of language and literature, the department focuses on the systematic development of students' competencies in reading, writing, speaking and critical analysis.

The department not only provides academic instructions but also promotes co-curricular activities, aiming to build confidence and communication skills of the students to prepare them for higher education and enable them to become successful professionals in a rapidly evolving world.

Faculty

Ms. Hilal Rana Arif

M.A, University of the Punjab, Lahore
B.Ed, AIOU Islamabad

Ms. Samina Ayub

M.A, University of the Punjab, Lahore

Ms. Saadia Rashid

M.A, University of the Punjab, Lahore

Ms. Nadia Saeed

M.A, University of the Punjab, Lahore
(3rd Position in Punjab University)
M.A, TEFL, B.Ed, AIOU Islamabad

Ms. Saadia Irshad

M.A, University of the Punjab, Lahore
B.Ed, AIOU Islamabad

Department of Economics

The department of Economics at HSSC level teaches basic economic concepts like demand, supply, and inflation. It develops students' analytical and critical thinking skills about real-world economic issues. It creates awareness about the economy of Pakistan and global markets. It prepares students for higher education in economics, business, and related fields. It helps students apply knowledge in daily life and make informed decisions.

Faculty

Ms. Tahira Parveen

M.A, University of the Punjab, Lahore
M.Ed, AIOU Islamabad

Department of Education

The department of Education offers quality education to prepare the students with innovative knowledge and pedagogical techniques. The qualified and experienced faculty of department aims to equip the students with critical thinking and problem-solving skills for quality teaching, educational leadership, policy-making, and lifelong learning. The department ensures the success of students in the social and practical life to combat the issues of education system by inculcating the spirit and passion for effective and quality teaching and learning.

Departments/Faculty

Faculty

Ms. Asrana Kousar

MS(Education), University of Wah
M.A(Political Science), University of the Punjab, Lahore

Department of Fine Arts

The department of fine arts nurtures creativity and develops strong visual expressions among the students at HSSC level. The syllabus, aligned with Federal Board of Intermediate and Secondary Education (FBISE), includes drawing, painting, composition, and basic art appreciation. Students engage in practical studio work alongside theoretical concepts to build strong visual skills.

This department develops an understanding of basic art concepts and cultural aesthetics. It provides a solid foundation to students who are interested in pursuing future studies and careers in the field of art and design.

Faculty

Ms. Faiza Rani

BS Islamic Art & Architecture,
International Islamic University, Islamabad

Department of Home Economics

The department of home economics equips students with practical life skills in food & nutrition, textiles, human development, and resource management. The department aims at building confident, skilled individuals who strengthen homes and society

Department of Home Economics

through knowledge and innovation.

We blend science, creativity, and culture to promote healthy families, sustainable living, and community well-being. Through labs, projects, and real-world practice, students master cooking, budgeting, interior design, and childcare fundamentals. Graduates pursue paths in education, dietetics, fashion, hospitality, social work, and entrepreneurship.

Faculty

Ms. Rabia Hameed

M.Sc, Peshawar University, Peshawar
M.Ed, AIOU Islamabad

Department of Islamic Studies

At the Intermediate level, the Islamic studies department at MDC aims to provide students with a clear understanding of Islamic beliefs, worship, and moral values. It also helps students develop critical thinking and apply Islamic principles in their daily lives.

The department plays an important role in building students' character and guiding them to become responsible individuals in society according to Islamic teachings. After completing their course in college the students can continue higher studies in Islamic Studies leading to fields like teaching, research or religious scholarship.

Departments/Faculty

Faculty

Ms. Riffat Arshad

Department of Psychology

At MDC, the Psychology department aims to provide students with a fundamental understanding of psychological concepts at HSSC level as per FBISE curriculum, helping them develop insight into human behavior and mental processes.

The department provides rigorous training and practice in theory and practicals for the final assessment to be conducted by FBISE.

Faculty

Ms. Afshan Bano

M.Sc, University of the Punjab, Lahore

B.Ed, AIOU Islamabad

Department of Sociology

The department at Intermediate level aims to develop understanding among students of social issues and inequalities. Its curriculum covers social history and global transformations.

Students learn to apply sociology to real-life situations. Students are prepared for careers in research, public service and NGOs.

Faculty

Ms. Iffat Abeed

M.A, University of the Punjab, Lahore

Departments/Faculty

Department of Pakistan Studies

The department of Pakistan studies explores nation's ideological, cultural, and historical roots while fostering civic responsibility. The department examines Pakistan's diverse geography, mineral wealth, and industrial economy alongside the challenges of global warming and foreign policy.

The curriculum of Pakistan studies at HSSC level builds social awareness and a commitment to human rights. We aim to develop visionary leaders ready to navigate Pakistan's future with clarity and purpose.

Faculty

Ms. Najia Rashid

M.Sc, Quaid-e-Azam University, Islamabad

Department of Physics

The department of Physics explores the fundamental laws that govern the entire universe. We bridge the gap between complex theories and real-world applications through interactive, hands-on experimentation.

Students work alongside expert mentors to master critical problem-solving and analytical thinking skills. By investigating everything from energy to matter, we prepare students for a future in cutting-edge science.

Department of Statistics

The department of statistics trains students in modern analytical methods, research techniques, and statistical software used in industry today.

The department emphasizes both theoretical concepts and practical applications to develop strong problem-solving and critical thinking skills.

A degree in statistics empowers graduates to turn raw data into valuable insights, making them highly sought after in the modern job market.

Faculty

Ms. Shagufta Usman

Departments/Faculty

Department of Urdu

The department of Urdu is continuously striving to make the teaching of Urdu more qualitative, conceptual, and easier for students, in accordance with modern educational requirements and the new curriculum of the Federal Board Islamabad.

The mode of teaching is aligned with the modern LMS-based teaching system, through which students are provided with high-quality and easily understandable academic material. The Urdu department provides an active, modern, and reliable academic environment to enhance students' language skills, intellectual expression, and literary awareness with the true taste and essence of language and literature.

Rules & Regulations

DISCIPLINE RULES

College Discipline Committee comprises the Vice Principal and the nominated lecturers. It observes, reviews and scrutinizes all serious lapses regarding discipline before any final action is taken against any student. The decision of the College Discipline Committee is irrevocable.

1. Uniform must be proper.
2. Jewellery and make-up is not allowed.
3. Regularity in attendance is mandatory.
4. Punctuality must be strictly observed.
5. In case of bunking class, student will be punished as decided by the concerned Lecturer/Discipline Committee.
6. Students will have to produce college Identity Cards as and when demanded.
7. Pilfering, damaging or breaking the furniture, fittings, or other property of college will lead to face penalty/fine.
8. Sticking/pasting bills on any part of any movable/immovable property of college as well as chalking is strictly prohibited.
9. Students are prohibited to take part in politics or activities prejudicial to nature of aspirations.
10. Use of mobile phone is strictly prohibited in college premises during college timings.
11. Silence must be observed particularly inside and near academic blocks.

12. Staying in reading rooms or outside in lawns and hanging around verandas during class is not allowed.

13. Visitors are not allowed to see students during class. Proctors may check and ask visitors to leave college premises if their presence is considered undesirable.

14. Any student who wilfully violates college rules will be subjected to expulsion, restriction, suspension or any other disciplinary action as deemed fit by college authority.

LEAVE RULES

1. Leave will be sanctioned by the Principal.
2. Applications duly signed by the parents/guardians should be submitted through class incharge.
3. Sick leave must be supported by Medical Certificate issued by a registered medical practitioner.

SEND-UPS/PRE-BOARD EXAMS

College abides by the rules levied by FBISE, Islamabad for Intermediate classes.

1. The student who fails to qualify at least three major subjects in Part-I shall stand disqualified forthwith.
2. For sending admission to the Board, 80% attendance is a pre-requisite. Mashal Degree College gives due importance to the December / January Tests and Pre-Board Examination. The College administration has the authority to withhold admission (to the Federal Board) of a student who fails the examinations or whose attendance is less than the required percentage.

Rules & Regulations

FEE DEPOSIT RULES

1. The students will have to deposit fee in the bank using a voucher provided by the Accounts department.
2. Fee once paid is non-refundable.
3. College leaving certificate is issued after the clearance of all dues.
4. Fee must be paid quarterly, if a student fails to pay fee by the due date, she will be fined as per late fee submission rules. Without clearance of dues, admission will not be sent to the Board/University.

COLLEGE UNIFORM

1. Simple white shalwar and simple white shirt (knee length with slip and coat collar).
2. No laces are allowed.
3. Students are provided with coloured dupattas for their respective class/year along with the identity cards by college.
4. Half sleeves are not allowed.
5. Shoes must be black and without heels (open shoes are not allowed).
6. Students have to wear black sweater or black coat in the winter season.

IDENTITY CARD

1. Identity Cards are issued to all students after their admission in the college.

2. Duplicate card can be issued after the payment of Rs 250/-.
3. The students are bound to show their Identity Card to enter college.

BI-MONTHLY TESTS

1. Bi-monthly tests will be taken of each subject.

MONTHLY TESTS

1. Monthly Tests would be held after every month to evaluate the major part of the courses, final evaluation will be based on results of these tests.
2. Proper record of each student's performance is maintained and parents are kept informed of their performance.
3. In case of absence during monthly tests, the student will be considered as fail.

PAYMENT OF FINE

1. In case of absence for 2 weeks (without application duly approved) the name of student will be struck off the college roll. However, if such a student applies for re-admission, college may grant this facility subject to payment of admission fee.
2. If a student breaks/damages college property she will be charged calculated price of the item / material.

Rules & Regulations

PARENTS TEACHER MEETING

Efforts made by the college authorities for the betterment of students will be more effective if parents/guardians join hands with Teachers/Administration. For this purpose, Parents' Teachers meetings are arranged from time to time and the role of parents in this respect is very significant.

Discipline is the bridge between goals and accomplishment.

Jim Rohn

Co-Curricular Activities

Mashal Degree College is contributing in developing literary, aesthetic and cultural awareness among students by providing them ripened opportunities to exhibit their potentialities. As students are encouraged to take part in co-curricular activities, therefore, various functions and competitions are organized by students' societies under the supervision of College Council.

STUDENTS' COLLEGE COUNCIL

Co-curricular activities play an important role in character building of students to develop their mental and intellectual abilities. In order to promote the abilities, college has divided students into four houses (Ayesha House, Zainab House, Khadija House, Amna House). The incharges and office bearers of societies have to ensure discipline after selection. Decision of the Principal is considered to be final and council arranges programs with assistance of the concerned society incharges. Functions are held under following societies:

- ✓ Islamic Society
- ✓ Urdu Literary Society
- ✓ English Literary Society
- ✓ Historical Society
- ✓ Home Economics Society
- ✓ Fine Arts Society
- ✓ Sports Society
- ✓ Dramatic Society

The Societies consist of following members:

- ✓ President
- ✓ General Secretary

Co-Curricular Activities

ISLAMIC SOCIETY

Islamic Society is responsible for holding Qirat and Naat competitions for the students.

URDU LITERARY SOCIETY

The Urdu Literary Society is responsible for holding the competitions of declamation contests, debates, mushaira and bait bazi.

ENGLISH LITERARY SOCIETY

The English Literary Society equips the students with optimum oratory and debating skills in order to enhance the argumentative and analytical skills of the students. It holds annual declamation/debate contests.

HISTORICAL SOCIETY

The Historical Society of the college celebrates different national days in the college. The main objective of the society is to create awareness among students of the national and historical events and personalities.

HOME ECONOMICS SOCIETY

The Home Economics Society arranges different competitions of cooking and handicraft to inculcate interest related to domestic responsibilities among students.

FINE ARTS SOCIETY

The Fine Arts Society arranges different competitions of painting and sketching to give an outlet to the latent talents of students.

SPORTS SOCIETY

The Sports Society believes in a “healthy body has a healthy mind”, so it arranges different competitions of sports for students.

DRAMATIC SOCIETY

The Dramatic Society arranges different functions in the college. The society aims to bring forth a recreational spirit among the college students. The events like Dramas, Mimes, Singing competitions and alike are arranged under its supervision.

Co-Curricular Activities

COLLEGE MAGAZINE

The college magazine titled Mashal Chronicles is published annually. The editorial board comprises the students supervised by a few faculty members. Through the college magazine, the students get an opportunity to exhibit their literary skills.

PRE-START EVENT

The conduct of Free Pre-1st year classes is the significant feature of MDC. It helps students to analyse all the facilities and the teaching methodology of faculty.

COUNSELLING SESSION

MDC aims at the moral enrichment of students. In order to achieve this target, tutorials are arranged to groom the students morally and ethically.

FUN FAIR

Mashal Degree College puts due emphasis on building a wholesome personality of students through different activities. For this purpose, MDC holds Fun-fair once in a session so as to provide an opportunity to students for learning universal values i.e teamwork, sportsmanship and self-discipline.

Co-Curricular Activities

SPORTS FACILITIES

Indoor and outdoor game competitions are arranged annually. Besides, the college tenders coaching facilities for the following sports:

- ✓ Badminton
- ✓ Net Ball
- ✓ Volley Ball
- ✓ Cricket
- ✓ Tennis

Mashal Degree College has the honour of being champion of Volley Ball and Cricket in Federal Board Intercollegiate Competitions in years 2005 and 2006 respectively.

College Cricket Team stood 3rd in Federal Board Inter-Collegiate Cricket Tournament, 2011. College is also proud of one of its students Ms. Iqra Mahroof, who represented the College in PCB Regional Cricket Championship. Ms. Iqra Mahroof and Ms. Kisfa Bibi participated in All Pakistan Inter Boards Girls Sports Tournament, 2011-12.

College secured Runners-up position in Volley Ball and Cricket in 2011-12 and Runners-up in Volley Ball in 2013 in Federal Board Inter-Collegiate Competitions.

Co-Curricular Activities

A RECREATIONAL TRIP TO JOYLAND

A recreational trip is organized for the students of MDC to refresh their minds so that they may improve their concentration in learning.

Co-Curricular Activities

FLOWER & LAWN COMPETITION

Mashal Degree College won 3rd prize in lawn competition in 2017, 2nd prize in cut flower arrangement competition in 2017 and in 2018, MDC won 1st Prize in Flower & Lawn Competition arranged by POF. Again the institution won 2nd position in Lawn Competition in 2019.

In 2021, the college got a consolation prize in Tree Plantation Competition arranged by POF. Mashal Degree College secured Second Position in Spring Plantation Competition, 2022 and was awarded with the cash prize.

MDC secured First position in Lawn Competition in Annual Spring Festival, 2025 organized by POF and was awarded with the cash prize.

CAREER COUNSELING LECTURE BY UW

Career counseling within institutions helps students explore their interests, develop skills and make better choices about their educational and professional paths ultimately leading to a more fulfilling and successful career. MDC in this regard arranges lectures to guide students in making right career choices.

Co-Curricular Activities

CONTINUING PROFESSIONAL DEVELOPMENT

Conducting seminar and lecturing contribute a lot to improve teaching skills. The administration of MDC always keeps this fact in mind that good teachers become great teachers by going beyond the text book.

In this respect, to accelerate the pace of teaching methodology, seminars / lectures are arranged for faculty development. These lectures prove fruitful for the professional training of faculty members.

TRAINING WORKSHOPS BY FBISE

MDC faculty members attended lecture on 22nd Oct, 2024 delivered by Director Academics FBISE under the project “SLO Based Teaching and Examination System”.

Another lecture on “Inclusive Scheme of Studies and the launch of New Groups at Intermediate level” was delivered by Director Academics FBISE on 21st Apr, 2025 and all the faculty members attended the lecture.

The primary objective of these lectures was to enhance the knowledge and skills of teachers in the areas of SLO based pedagogy, updated modes of education, assessment and examination system.

Co-Curricular Activities

INTERSCHOOL COMPETITIONS

Mashal Degree College organizes Inter-school competitions of Qiraat, Naat, English/Urdu Essay Writing, Calligraphy and Poster Competition to nurture the latent talents of students

Awareness Lectures

AWARENESS LECTURE

MDC administration arranges awareness lectures for the students. In this context, an interactive session of the Principal MDC with the students was organized in UW Auditorium to address their problems .

Awards & Certificates

PRIZE DISTRIBUTION CEREMONY

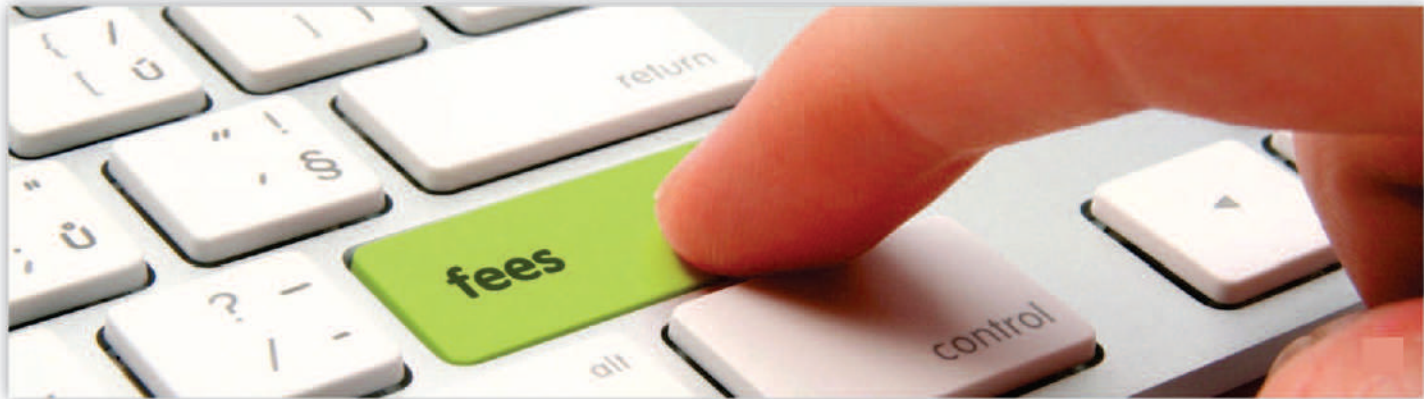

MDC holds Prize Distribution Ceremony to award shields and certificates to the High Achievers of Academics and co-curricular activities.

Alumni

Hidaya Malik

Presently, I am a student of Doctor of Veterinary Medicine (DVM) at the Faculty of Veterinary & Animal Sciences, Pir Mehr Ali Shah Arid Agriculture University Rawalpindi. Being a high achiever of MDC reminds me the nurturing environment that fostered my academic growth, personal development, and lasting connections. The rigorous curriculum and extracurricular activities equipped me with essential skills, independence and a sense of responsibility. I am grateful for the opportunities and memories that have prepared me for future.

I would like to extend my profound gratitude to my teachers for their guidance and mentorship. May my alma mater gain success in its mission to empower future generations. Long live Mashal College. Long live Pakistan! Aameen

Zahida

Looking back at my journey at MDC as an Academic Director in Ions School System, I can confidently say that this institution laid the foundation of my success. The knowledge, mentorship and values instilled in me here have played a crucial role in shaping my career in the field of education. Education is not just about imparting knowledge; it is about inspiring minds. The lessons I learned at Mashal Degree College have guided me in my mission to make a difference in the academic world by Introducing Robotics at School level in Wah Cantt. As an alumna, I am proud to see MDC holding the legacy of excellence, shaping future leaders and educators. I am deeply grateful for the role it has played in my life and I pledge to inspire the next generation to pursue their dreams with passion and purpose.

Thank you Mashal Degree College for being my milestone to success. I will always cherish the memories, friendships and wisdom I gained here."

Alumni

Taiba Rizwan

I am Taiba Rizwan, currently pursuing my career in Doctor of Physiotherapy (DPT) from the University of Lahore.

Choosing Physiotherapy as my field of study has been a meaningful step in my academic journey and the foundation for this path was strongly built during my time at college. My journey at Mashal Degree College (MDC) from 2022 to 2024 holds a very special place in my heart. Being a part of MDC family was more than just an academic experience; it was a period of learning, growth and self-discovery. The supportive environment and focus on quality education helped prepare me for the challenges of professional studies. I am sincerely thankful to all the respected teachers of Mashal Degree College for their dedication, guidance and commitment to excellence. Their teaching methods, encouragement and constant support played a significant role in strengthening my academic base and shaping my confidence as a student.

I will always remain grateful to Mashal Degree College for the knowledge, values and memories that continue to guide me as I move forward in my career.

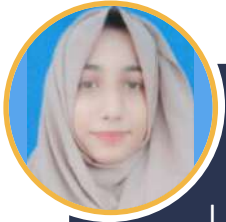

Ujala Rasheed

I, Ujala Rasheed, the student of University of Wah, have done my FSC from Mashal Degree College, Wah cantt. At MDC, I had the opportunity to explore various subjects and engage in extracurricular activities. The administration and teachers were knowledgeable and very supportive and I really enjoyed the vibrant campus atmosphere. MDC has exemplary discipline which is aiding to its educational efforts in achieving success and commendable reputation. It's not just a college; it's a place where teachers support the learners at every step of the way to make them competent citizens. I owe my achievement to MDC.

May this institution progress by leaps and bounds!
Aameen

Alumni

Shaiza Urooj

I have graduated from Mashal Degree College in ADP and got enrolled in BS 5th semester in University of Wah as a student of English literature. Choosing MDC in ADP (Associate Degree Program) was a life-changing experience e.g. blending rigorous academics with practical learning opportunities. Striving for a deep dive into my chosen field while developing essential skills like critical thinking, teamwork and time management. Small class size fostered close interactions with instructors, creating a supportive learning environment. Engaging in internships and group projects provided experience of real-world applications of theoretical knowledge, bridging the gap between classroom learning and professional practice. Overall, the program not only prepared me for career development but also instilled a lifelong passion for learning and personal growth.

May MDC progress by leaps and bounds! Ameen

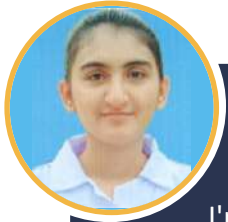

Isra Khalil

I am doing BS in English at University of Wah. I have completed my FA degree from Mashal Degree College in 2022. My experience at MDC was truly transformative. The commitment of college to academic excellence, diversity and community service helped shape me into the person I am today. The teachers at MDC were really a source of inspiration for me and still they are. MDC provided me with a solid foundation, lifelong friendships and unforgettable memories. It exceeded my expectations in every direction, from the knowledgeable teachers to the vibrant campus life, I felt supported and inspired throughout my journey at MDC.

May Allah Almighty bless my alma mater! Ameen

Alumni

Manahil Nadeem

I'm Manahil Nadeem, currently studying BS Human Nutrition and Dietetics from the University of Agriculture Peshawar. As an alumnus of MDC, I look back with immense gratitude at an environment that nurtured my growth far beyond academics. The institution provided a strong academic foundation while equally encouraging participation in extracurricular activities such as arts, sports and events like Space Week, which helped develop my creativity, confidence, teamwork, and leadership skills. This balanced exposure allowed me to grow into a well-rounded individual. One of the proudest milestones of my journey was earning a Silver Medal in the Copernicus Olympiad in 2023, an achievement that reflects the constant guidance, support and opportunities my college consistently offered.

I'm profoundly thankful to MDC for moulding me into an individual I am today.

Maryam Shahadat

I am the student of Dr. of Nutrition in Arid Agriculture University, Rawalpindi. My best and most memorable college time was from 2021 to 2023 at Mashal Degree College. Those two years hold a very special place in my heart. I didn't just study there, I grew there emotionally, academically and personally. The environment was warm and welcoming, the management was extremely supportive and the teachers truly cared about our learning.

Along with quality education, games and other activities made college life joyful and full of memories. Every moment spent there was meaningful and I will always be grateful for the unforgettable time I had at Mashal Degree College. Those memories will stay with me forever.

MDCAA

(MASHAL DEGREE COLLEGE ALUMNI ASSOCIATION)

MDC administration formed MDCAA (Mashal Degree College Alumni Association) with the aim to develop strong bond of loyalty between Alumni and College so that the stature of college may be uplifted.

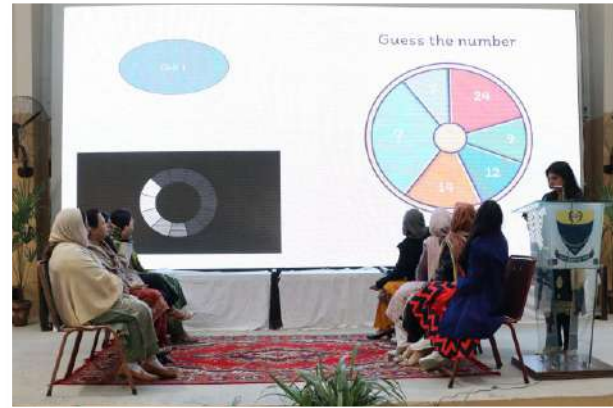

All MDC students will be the members of MDCAA (Mashal Degree College Alumni Association). MDCAA is responsible to hold the following events to achieve the objectives:

- ✓ Career workshops
- ✓ Formal Alumni Meetings
- ✓ Alumni Engagement on Social Media

Alumni Reunion

MDC administration holds 1st Alumni Meet to reconnect, reminisce and celebrate the shared journey with past graduates and faculty.
